# PUCKED IN THE DORM: NATIONAL LAMPOON SPORTS WOOD!

Nobody does T&A (Tits & Academla) quite like National Lampoon. And since every summer thousands of sexy, stacked co-eds head from their universities to the warmth of the beach, we pay tribute to two of our favorite National Lampoon entries, *Pucked* (2006, below) and *Dorm Daze* (2003, bottom right and opposite page). This spread proves that—in hockey or in life—a woman can only succeed if she's got the right equipment!

While *Dorm Daze* features a bevy of sexy babes such as Boti Bliss, Katie Lohmann and Tatyana Ali, *Pucked* boasts Estella Warren, Dana Barron and...um...Jon Bon Jovi. Both films combine to bring you about eighty breasts; and a few of them are real!

# AUDREY HOLLANDER & OTTO BAUER

## THE TALE OF A BEAUTY AND A (SEXY) BEAST

*A Celebrity Skin Interview by Dee Dee Vega*

**I** THOUGHT THE ONLY GOOD THINGS TO EVER come from Kentucky were straight bourbon and the Derby—but then I met Audrey Hollander. Audrey is a Southern belle-cum-sexual superstar who—with the collaboration of her husband, the viciously intelligent director and performer Otto Bauer—has taken the porn world by storm, starring in some of the most daring porn productions to date including their own extreme brand, Supercore. As a couple, these two are truly unique in their level of carnal sophistication in front of the camera. And in a sea of silicone-pumped blondes, Audrey is a fire-haired fox that has carved out a niche as a dirty dynamo who loves to fuck. Otto and Audrey recently sat down for an interview with *Celebrity SKIN* to talk about fateful meetings, dirty movies and the *ins and outs* of being an anal queen. Let me tell you, the South may not rise again any time soon, but *you* sure as hell will....

**Audrey, you are a beautiful girl from Kentucky. How did you get into porn?**

My introduction to porn came when Otto moved me out of my parent's house in Kentucky and with him to New York City. He had made a few porn movies in New York so he was pretty well known as "a player," and was pretty popular at a few bars around town. We were at a bar in Alphabet City, and a guy came up to him and said, "Hey, is this a new porn star? Are you still making pornos?" My mouth dropped open, Otto turned red; I had no idea at the time that he was in the adult business. Otto started talking pretty fast to explain the situation because he assumed I would be upset. I wasn't. I had already committed myself to loving him by then. I told him that since he had fucked other girls on camera that he would have to do it with me too in order to "even the scales." He filmed me at home—a lot. He made me watch my footage in order to see the angles of the camera and the light source on my body. We shot about 300 hours before I did my first pro-am stuff so I was already quite familiar with the camera before my first shoot.

**Otto, how did you get started in adult?**

I was a musician in my twenties and had the opportunity to do pretty wild antics in public. My travels took me to New York City where I went to college and it's there that I answered an ad in the *Village Voice* for pro-am porno. This was about 1994 when there were still a handful of producers in New York. I worked, under various names, for Candida Royalle, Pleasure Productions, Outlaw Video, Neville Chambers, and a few others. I gained confidence in my abilities when Rick Savage shot me in the city screwing girls in public. He told me, "Dude, you can do this for real if you want to go to California. You're pretty good." Anyhow, I continued to work here and there on the east coast and I worked in Times Square doing live sex shows with not-so-hot girls in dirty theater halls. And I liked it! I put myself through college and graduate school that way. I was finishing law school when I took a winter vacation and met Audrey. When she found out I was in the

sex industry and she wanted to do it too I remembered what Rick had said: "Go to L.A." In no time my schedule was full and it hasn't let up since.

girls he fucks and what he did to them. Sometimes though, if he has to work in the morning, he will fuck me until I cum and then he has to save his load for the shoot. I like that too.

Otto fucked me in the ass within the first week we were together.

**So, Otto, how exactly did you two meet?**

We met in Miami, on New Year's Day while we were each on vacation. Actually I had taken a last minute standby flight from New York City, where I lived at the time, in order to escape the cold for a few days. Audrey had gone to a concert with two friends from Louisville where she lived with her parents. The three girls, including Audrey, were at a sidewalk café on Ocean Boulevard and that's where I found her! My entire trip was an impulse, a whim. I had no itinerary and no baggage (literally and figuratively), and there she was. Her white skin and red hair stood out among the tanned blondes of South Beach. No make-up, no fancy clothes, just her. I was hit by a freight train—completely in love...I rented a car in Miami, drove her to Kentucky, met her folks, packed her stuff, and took her off to New York City.

**Audrey, does having sex with Otto on camera make it even hotter at home?**

Our sex life at home is definitely hotter given our on-screen sex life. We have legal limits on film! At home, we have no limits at all. I love to talk dirty and hear about the

**You guys have been on screen together many times. Audrey, what are some of your favorite projects you've done together?**

It's very rewarding to shoot our own stuff for Supercore—distributed by NinnWorx. However, it's a ton of work to shoot for yourself. On the "fun scale" it's usually more enjoyable to work for someone else as performers and let that producer worry about the details of the production as a whole. With that in mind, some of our favorite projects were Catherine, the Neo Pornographia shoots, and we always have a great time on Kelly Holland's Penthouse sets.

For sheer ribald revelry, Jim Powers' set is always a blast. Skeeter is a very perverted man and very demanding as a director—we respect that.

**A little birdie told me that you guys just bought Clarke Gable's old hunting lodge. Otto, is that true?**

Yes. We bought Clark Gable's old hunting lodge in Shadow Hills! It overlooks the Angeles Mountains with a 360-degree valley view—definitely not the typical L.A. feel. Audrey is really into gardening and has several projects ongoing at any time. I really only leave if I'm working.

**Audrey, you've picked more challenging and diverse roles than pretty much any other actress in the industry. How do you decide which projects to take?**

I have actually spent the time to plot this sort of thing out. It has been said that Jenna's career was built in the boardroom; well, I guess mine was built in the bedroom! From the beginning, Otto was very intentional about the direction of my career. We love each other and it was important to him that I be at the top if I would do it at all. Most girls entering the industry decide that they will only do vaginal sex scenes, or even just girl/girl scenes until that plays out and then they start to do anal-sex scenes as a last resort in order to re-hype

themselves. I can understand that they want to stay around as long as possible and that "holding-out" on the anal is a viable business model and all that but, as for me... I wanted to hit the valley with a big splash, pun intended! I'm not saying that doing anal is mandatory for being a porn star, but I love it, and my career doesn't seem to have suffered. I have never performed in a scene where I did not at least stick my finger up my ass. It didn't take long to become well known. Otto's reputation as an all-out energetic performer helped me too. Producers and directors began to call offering a wide variety of roles. We simply pick the ones that allow the most opportunity for sexual expression. My fans have become accustomed to extra

hardcore performances, and I want to continue to challenge myself to meet the expectations of my fans.

**Given that it is said you have the longest continuous double-anal on film, and you are an "ass queen," was that something that came naturally or did it start during your career in front of the camera?**

Otto fucked me in the ass within the first week we were together. I had never done it before and it hurt. It hurt bad! During the hurt, something happened to me. I realized that I liked it. I was so turned on that I was doing something purely to please him. After the first week or so of having him inside my ass, I began to have unbelievably strong orgasms. I've loved anal sex since then. When I did it on camera I was really excited because I had a real orgasm. I don't fake orgasms in my scenes so I figured that if I want to be a real porn star, and get off on the guys, that I might as well do anal sex because that is what gives me the strongest orgasm—and it feels so naughty....

**Otto, how is it directing your wife? Do you guys have professional disagreements, or is it pretty smooth sailing?**

Directing Audrey is a breeze. She knows what to do and when to do it, and how to do it. However, the process of getting Audrey on the set and ready for "direction" is another story. Audrey likes to shop. Audrey likes to play dress-up. Audrey likes to spend a lot of time in the make-up and wardrobe room. We want the girls to be confident and beautiful, for sure, but we also want them naked and fucked in a most expedient fashion. I will say that what time Audrey might cost us in preparation to shoot, she more than makes up for when the cameras role. We rarely have to cut during Audrey's scenes. If anything, we might cut to inspire and to rest the exhausted and drained—pun intended—male performers she's working with. You don't have to tell a thoroughbred how to run, you just try not to fall off!

# GOOD VIBRATIONS

With an issue full of hot and heavy summertime T&A, we wanted to put together a soundtrack that would inspire your desire for our beautiful beach bunnies. We said to ourselves, "wouldn't it be nice," if got a little help from the band that epitomize the sound of summer? So, with the original tracks that epitomize summer, these Beach Boys songs will be giving your dong some very good vibrations all summer long!

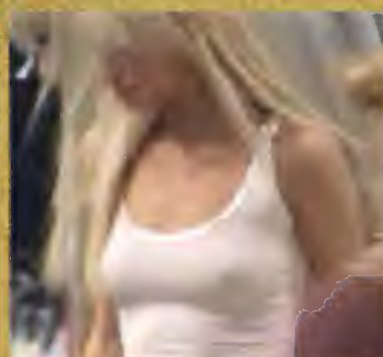

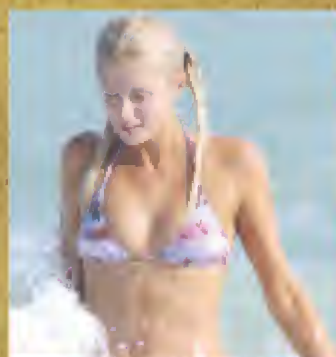

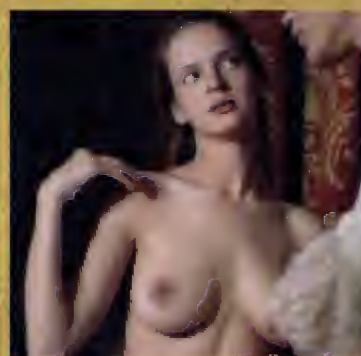

## 01 SURFER GIRL 2:26

Kate Bosworth had audiences everywhere waxing and whacking their long board in *Blue Crush* (2002) as her bouncing bosom proved that those fun-bags can float. If only our little surfer girl would ride our big wave of wad, she wouldn't be the only one wearing a wet suit. Bosworth in a bikini is worth every minute of viewing, and we'll have a blue-ball crush on her for a seemingly *Endless Summer*.

## 02 HEROES AND VILLAINS 3:37

When she played a voluptuous villain, Uma Thurman had us pounding our crotch crimefighter to her erotically evil Poison Ivy in *Batman and Robin* (1997). But it was her heroic and horny turn as the ass-kicking knockout in *Kill Bill* (2001) that had all of us happily slapping our samurai sword! Her now infamous yellow jumpsuit might not be suitable for the sand, but what lies beneath has always been suitable for our hand!

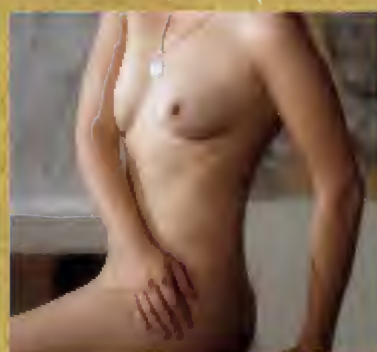

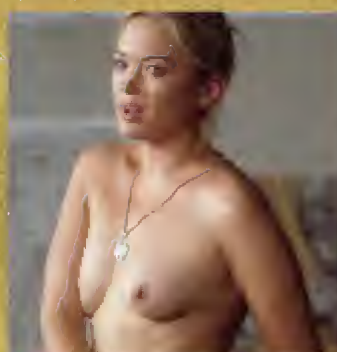

## 03 HANG ON TO YOUR EGO 3:08

There are quite a few things about Paris Hilton, everyone's favorite paparazzi *pounding-bag*, which have always seemed to work in our favor. She's flashed her little *douched-cooch* so many times, we have trouble letting go of our well-hung erect ego long enough to be amazed at how hottie Hilton, despite public flashings, legal trouble and B-movie bombs, has still managed to not lose her *credibil-titty*!

## 04 STAY TRUE TO YOUR SCHOOL 2:06

The sizzling Sophia Myles measured up to our rigid ruler by getting completely naked for a nice class of horny art students in *Art School Confidential* (2006). This film reminds us that the only thing we were ever interested in back then was drawing our stick figure out of our pants and painting the walls with our penis-pastels! Sexy Sophia's school spirit is so inspiring, we might have to paint a *prick-ure* about it!

## 05 GET AROUND 2:12

Most everything you've heard about Tara Reid is probably true, but don't let that slump your sail. Since her sexy showing in *Body Shots* (1999), she's been making a *cum*-back that is bound to hoist up your Sloop John *Boner*! Here's hoping she keeps serving shots of boobs instead of booze!

## 06 DISNEY GIRLS 4:07

Anne Hathaway might have started out as a goodie two shoes as a Disney darling in *The Princess Diaries* (2001) and the sequel in 2004, but god only knows what got into her after that! Hathaway shed her good-girl image by dropping her top in the Dickey Mouse-friendly *Havoc* (2005)!

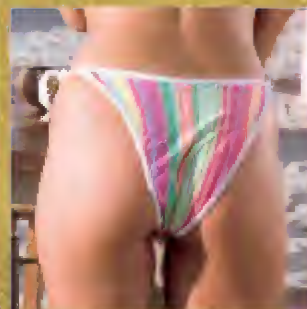

## 07 CAROLINE NO 2:52

The lovely Lea Thompson might have toned it down for her late '90s network comedy *Caroline in the City*, but in her younger summer days she tanned it up with a little more than just *Casual Sex?* (1988), when she let those beach buns toast and had us all whacking off—from her back to the future!

## 08 SURF'S UP 4:12

Dennis Wilson was probably turning over in his grave at the sight of *Boardheads* (1998); not because it was a sorry excuse for a surfing movie, but more likely just to get a better view at Victoria Silvstedt's chest heads. Once her bikini top pops, rigor mortis seems to hit every man below the belt!

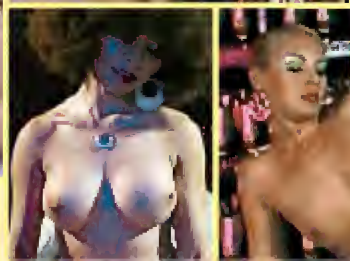

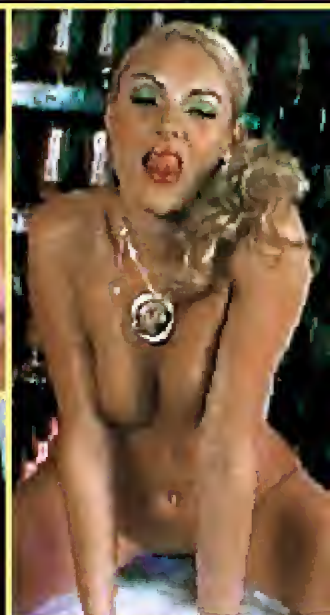

Ego massages with happy endings courtesy Jan and Dean's "Yank & Cream." No life guards were present during the writing of this piece, though there was ample *cum*-screen. All compositions by *SKIN* staff were effected by LSD, which in this case means Ladies Sucking Dick. Back-up band: Jessie and the Rippers. The only animal hurt during this recording was Charles *Mammson*. All album proceeds go to the MILF-a-Wish Foundation.

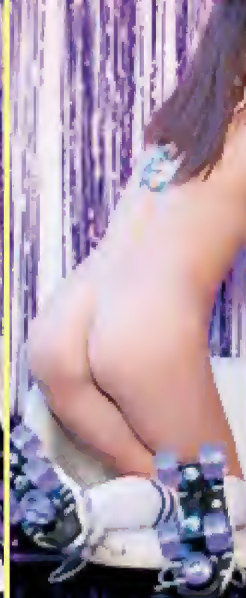

# Roller Booty

The only thing hotter than slutty sexbombs on roller skates, is the fact that these rolling wet spots are some of porn's raunchiest roller-derby divas, and they know how to keep your spunk-spitter spinning. Only the people at *Peach DVD* could bring you *Roller Booty* (2006), featuring Zoe Britton and her beautiful bevy of hot and heavy twisted-sisters! What starts out as an all babe birthday party, turns into a surprise *booty* bash, taking an old school skating rink from a local hang-out into an all girl orgy on wheels!

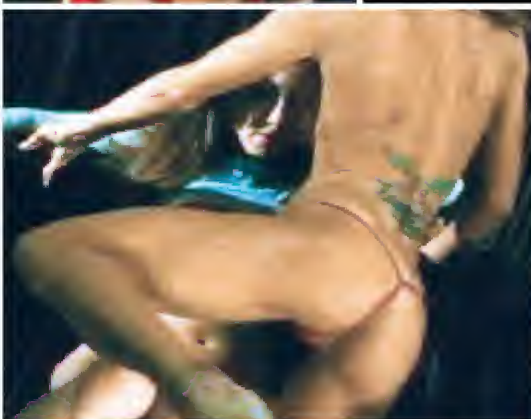

# Softcore Divas

Our friends at Seduction Cinema have done it again! After bringing us countless spoofs and parodies, they finally dispense with storylines and simply packed their latest effort, *Softcore Divas* (2007, spread) with naked, nubile, nipplerrific bods! Some old favorites such as AJ Kahn and Darlan Calne are here, along with a bevy of new nudie cuties in a lesbian-luau where everyone gets *lel'd*! No matter what type of girl floats your boat—from black to white to outta sight—she's in here. Don't miss out on this treasure chest of pleasure chests!

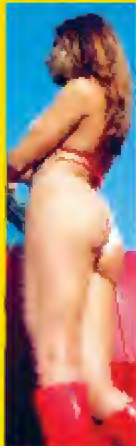

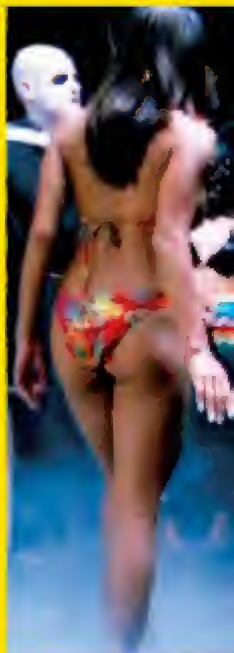

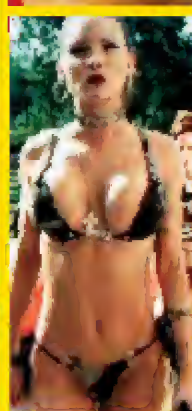

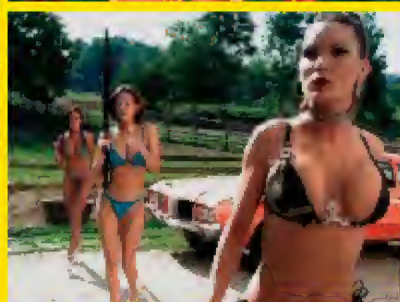

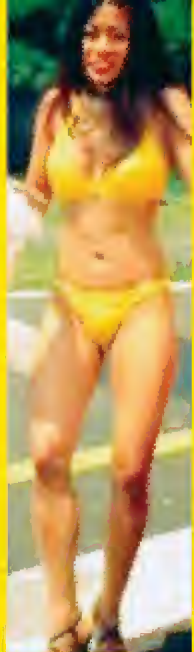

# BIKINI BANDITS

## EXPERIENCE

What happens when you combine a boisterous bunch of bikini babes, an armory-sized amount of firearms, an army of classic muscle cars and shock-shock celebs such as Gary the Retard, Corey Feldman and Hank the Angry Dwarf? You get a home-video walk on the wildside that's as titillating as it is tormenting! When the bikini bandits' car goes off a cliff, they arrive in the underworld. With Dee Dee Ramone playing the Pope and the lead singer of the band Tool playing Satan, there appears to be nothing more than a couple of guitar strings separating heaven and hell. But the skin on display in this tits 'n' ammo tour-de-force is just what the afterlife ordered!

Satan sure knows how to play hardball. If the bikini bandits don't do exactly as he commands them, old Lucifer threatens them with an eternity of having to watch Corey Feldman dance! These babes must regret ever getting their licence to drive! But this flick will leave you viewers dreaming a little dream of non-stop T&A!

# FRESH FLESH

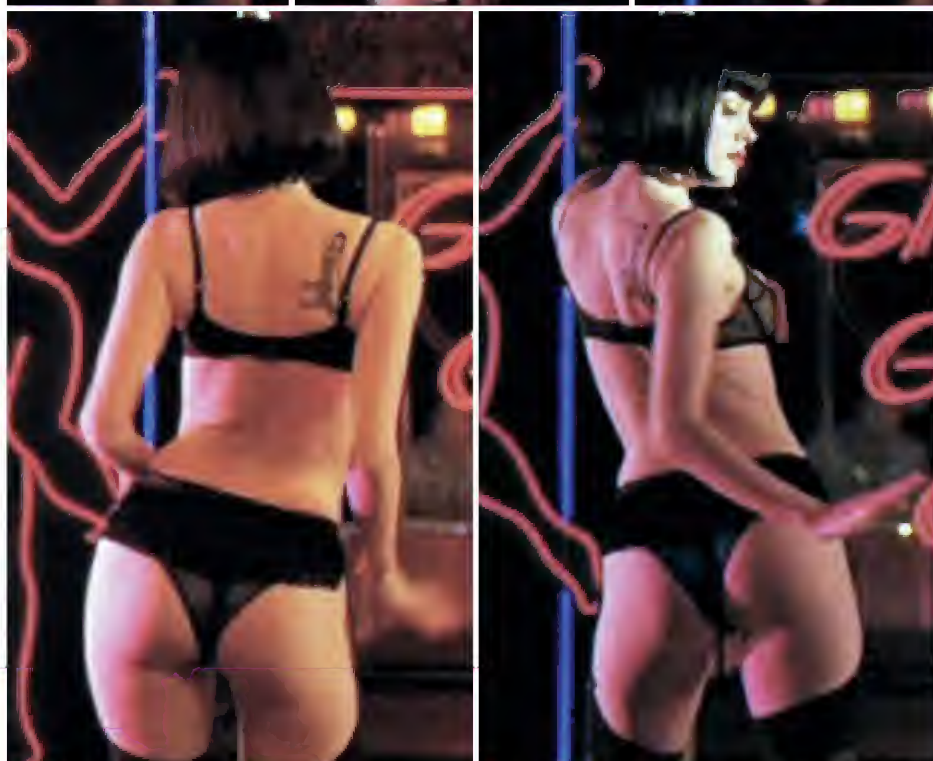

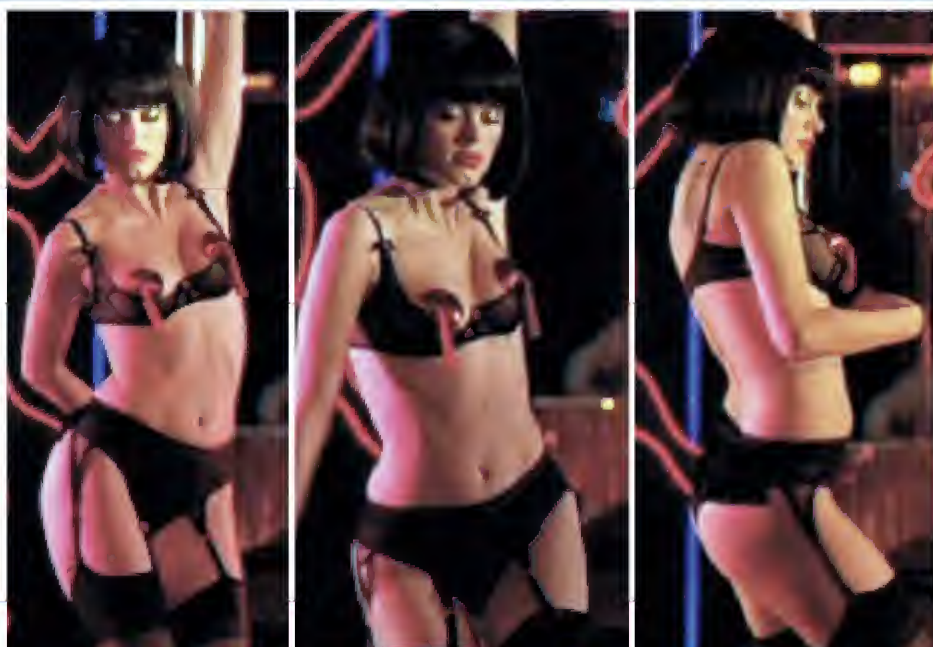

Before we kick off any of our steamy summer sections, we know you want the newest nudes and most up-to-the-minute mamms! That's why we're dishing you our Fresh Flesh!

## ROSE MCGOWAN

**BORN:** September 5, 1973, Florence, Italy

**SEXY SIGHTINGS:** Rose has lived a real life *Road to Riches* (2001, this page) life, starting out in the gutter only to end up leaving men blowing their boy-butter in mamm-packed movies like *Going All the Way* (1997, opposite page top). But her turn in *The Doom Generation* (1995, opposite page bottom) gave us a glimpse of what would be Rose's kinky career yet to cum!

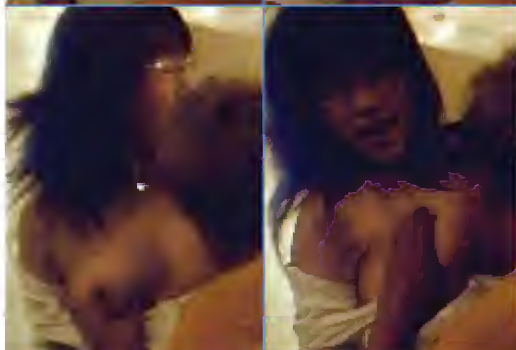

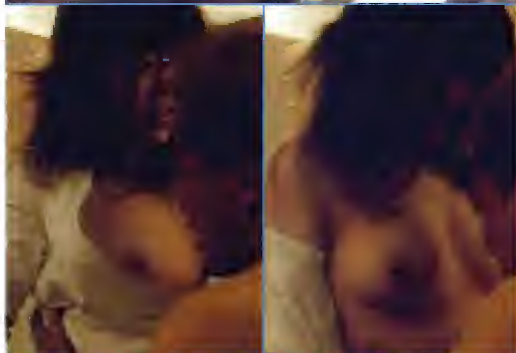

**GROIN HOUSE:** Rose has always done her breast for our phallic best, in films that accentuated her killer curves. But McGowan outdid herself by showcasing her 50-caliber legs and double-feature double-D's in *Grind House* (2007).

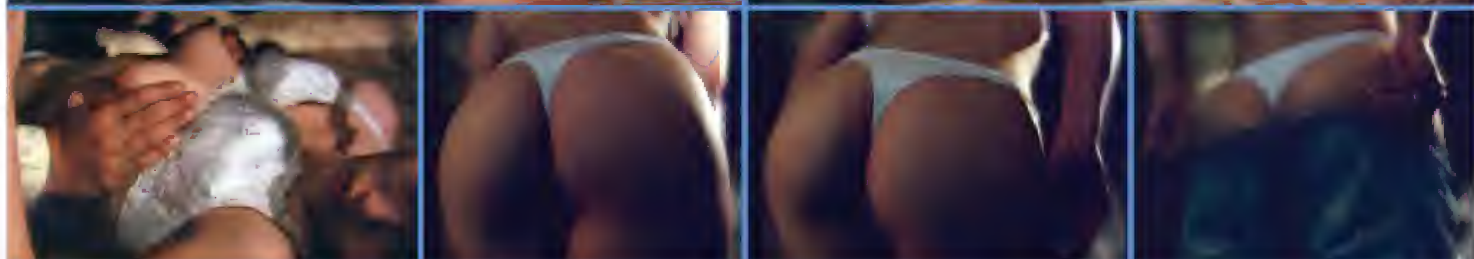

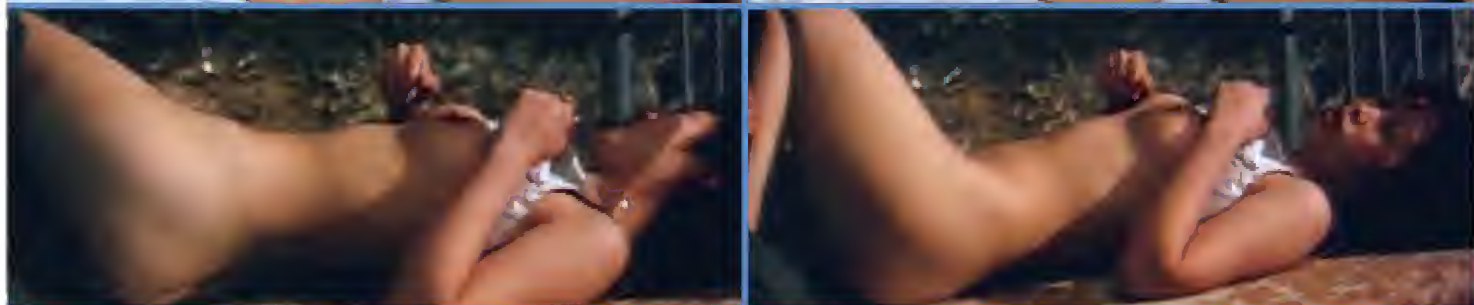

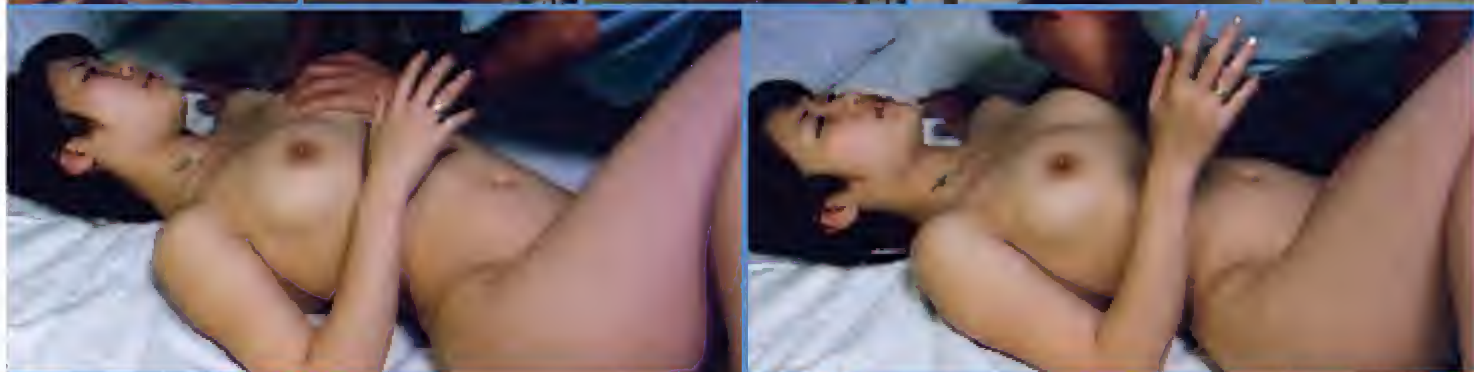

## EMI KURODA

**SEXY SIGHTINGS:** One the of best "pink films" to come out of Japan since softcore's heyday, *The Glamorous Life of Sachiko Hanai* (2003, spread), is finally hitting the horny shores of the United States in DVD form, introducing every Asian fetish-fiend to the kink of Emi Kuroda. She plays a cutie call girl who takes a bullet to the head, which grants Emi telekenetic power. Apparently those psychic abilities include the power of making us unload a round of our own!

**HANAI HILTON:** *In The Glamorous Life of Sachiko Hanai*, Ms. Kuroda's call girl visits the wrong hotel room. But rest assured, reader; there's so much nudity in this skintillating flick you'll be leaving a lot more than a mint on your pillow!

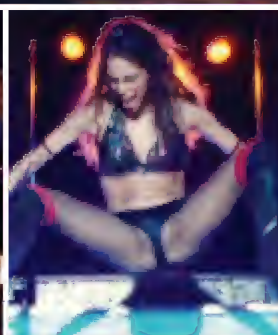

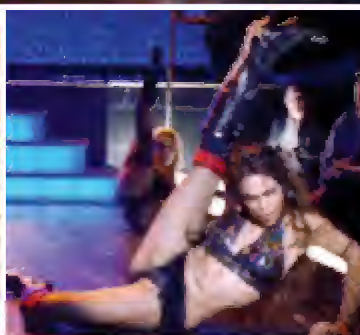

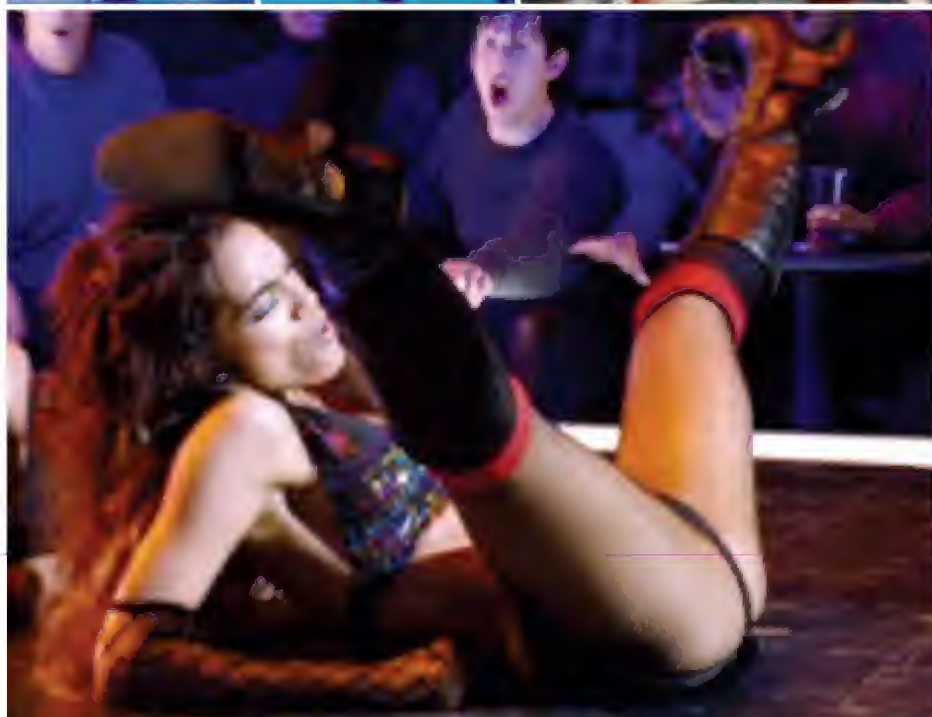

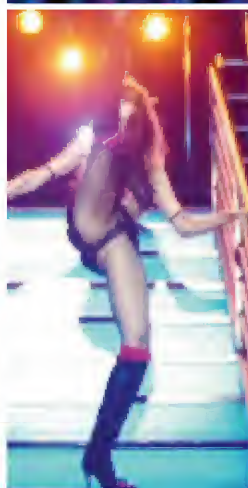

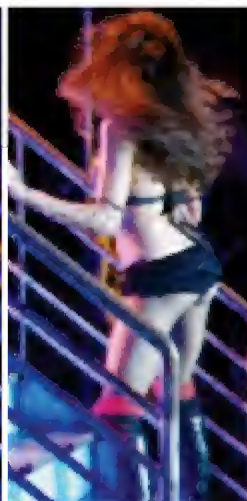

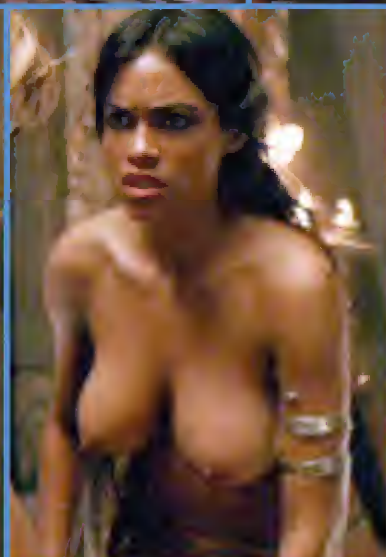

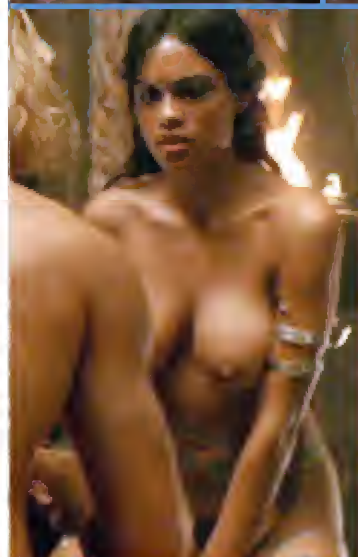

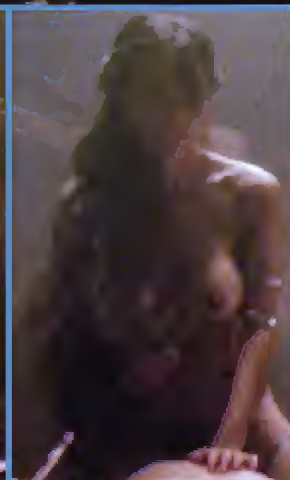

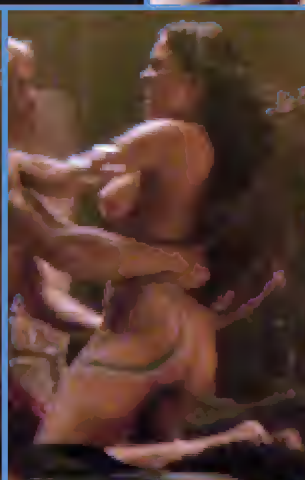

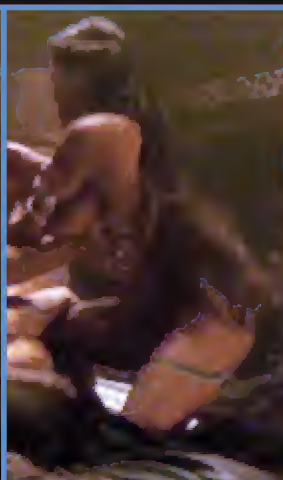

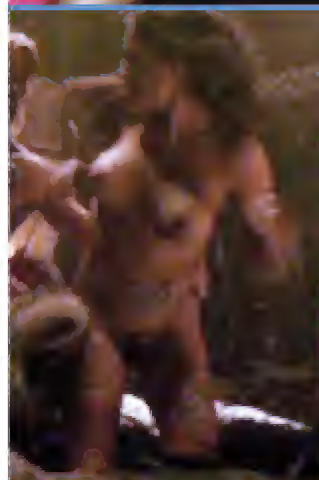

## ROSARIO DAWSON

**BORN:** May 9, 1979, New York, NY

**SEXY SIGHTINGS:** There is no such thing as *Rent* (2005, this page) control when it comes to Dawson's devilish display in this musical-turned-movie. You may erect a high-rise from her on-stage grinding; but for real stripping, check out *He Got Game* (1998, opposite top)—a handful of a role! Rosario's *skinful* work in *Alexander* (2004, opposite bottom), though, takes the carnal cake!

**RENT IS DUE ON THE FIRST OF THE MUFF:** Rosario has certainly paid her Hollywood dues, working her way up the un-clad ladder, teasing and pleasing her way onto the short list of some of the biggest (and horniest) directors out there.

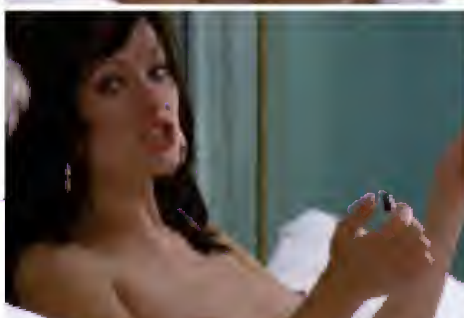

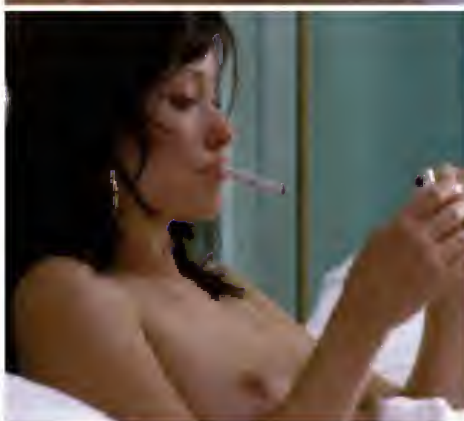

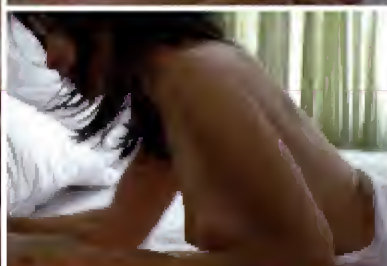

## OLIVIA WILDE

**BORN:** March 10, 1984, New York, NY

**SEXY SIGHTINGS:** Although it wasn't Justin Timberlake's dick in her box, Olivia still lived it up and drove us *wilde* with her bedroom showdown with an *Alpha Dog* (2006, spread) who was intent on giving her his bone. This former *The O.C.* girl has been on the rise lately, including a part in *Turistas* (2006), and it won't be long before she causes a stiff blip on everyone's crotch radar!

## ZARA TAYLOR

**BORN:** Vancouver, Canada

**SEXY SIGHTINGS:** When this slack-jawed jewel unbuttoned her blouse and revealed those very firm rubied-rounds, we thought to ourselves, "that was *Totally Awesome* (2006, spread)!" This Vancouver cooter did her part to spoof everyone's favorite decade, and we're sure after this, Taylor will be getting a *handful* of rock-hard offers that will have audiences spoofing their spunk!

# GIRLS OF SUMMER

The sexy sirens who splash their way thoroughly through our wet dreams have arrived again, they're our gorgeous Girls of Summer who soak up the sun in the most tempting and teeniest bikinis!

**MENA  
SUVARI**

**BORN:** February 13, 1979, Newport, RI

**SEXY SIGHTINGS:** Although the official posted *tit*-le of her character in the William H. Macy manic-movie *Edmond* (2005, this page top) was simply "whore," we know that Suvari is a classy lass with an ass to die for. We can safely say that plenty of our DNA perished over her topless role in *American Beauty* (1999, this page bottom), the film that made pocket-pool patriots of us all!

**ED-MOUNDS:** Ever since her breakthrough in *American Beauty*, Mena has kept us begging for more of her post-teen T&A. Her tanning-cream-clad beachfront bonanza (above) had men everywhere slathering on some lotion of their own!

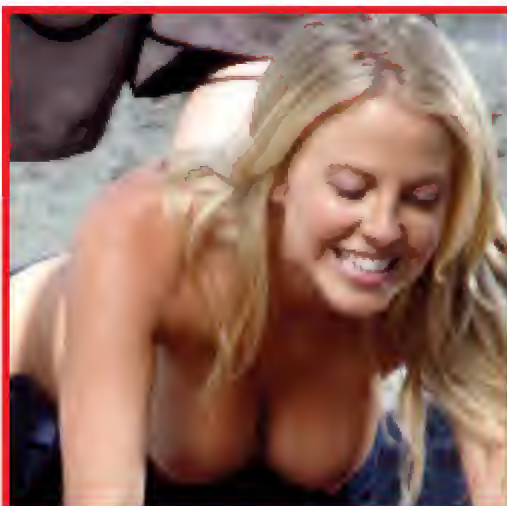

## LINDSAY LOHAN

**BORN:** July 2, 1986, New York, NY

**SEXY SIGHTINGS:** Lohan actually has time out of her busy party schedule to hit the beach? Who knew? We were lucky enough to find these shots of Lohan letting it hang out on the beach—sporting her toned, tanned and sober body. Ms. Lohan had a wardrobe malfunction recently in Barbados when she took a dip (top right) to stop overheating, and one of her love bugs escaped!

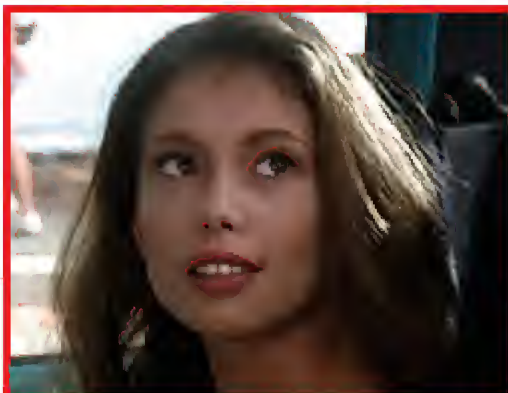

## CARRIE FLEMING

**BORN:** August 16, 1974, Digby, Canada

**SEXY SIGHTINGS:** This is one Canadian we'd like to mountie! These great topless shots of Carrie were taken during the filming of the up-cumm-ing *Good Luck Chuck* (2007), with maddeningly lucky fuck Dane Cook. Her expression while stripping seems to go from agony to ecstasy, which is the way it will be for men everywhere when Carrie's Canadian cans crush comedian Cook's cranium!

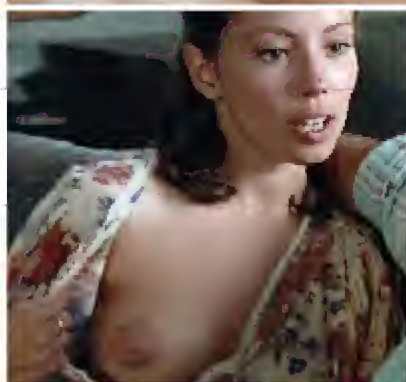

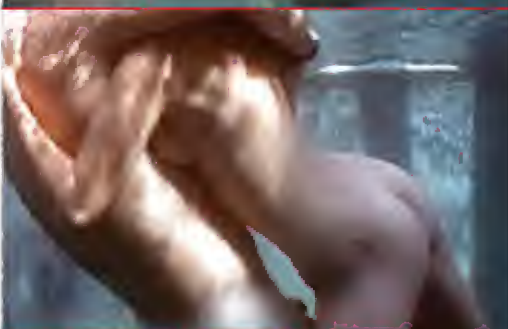

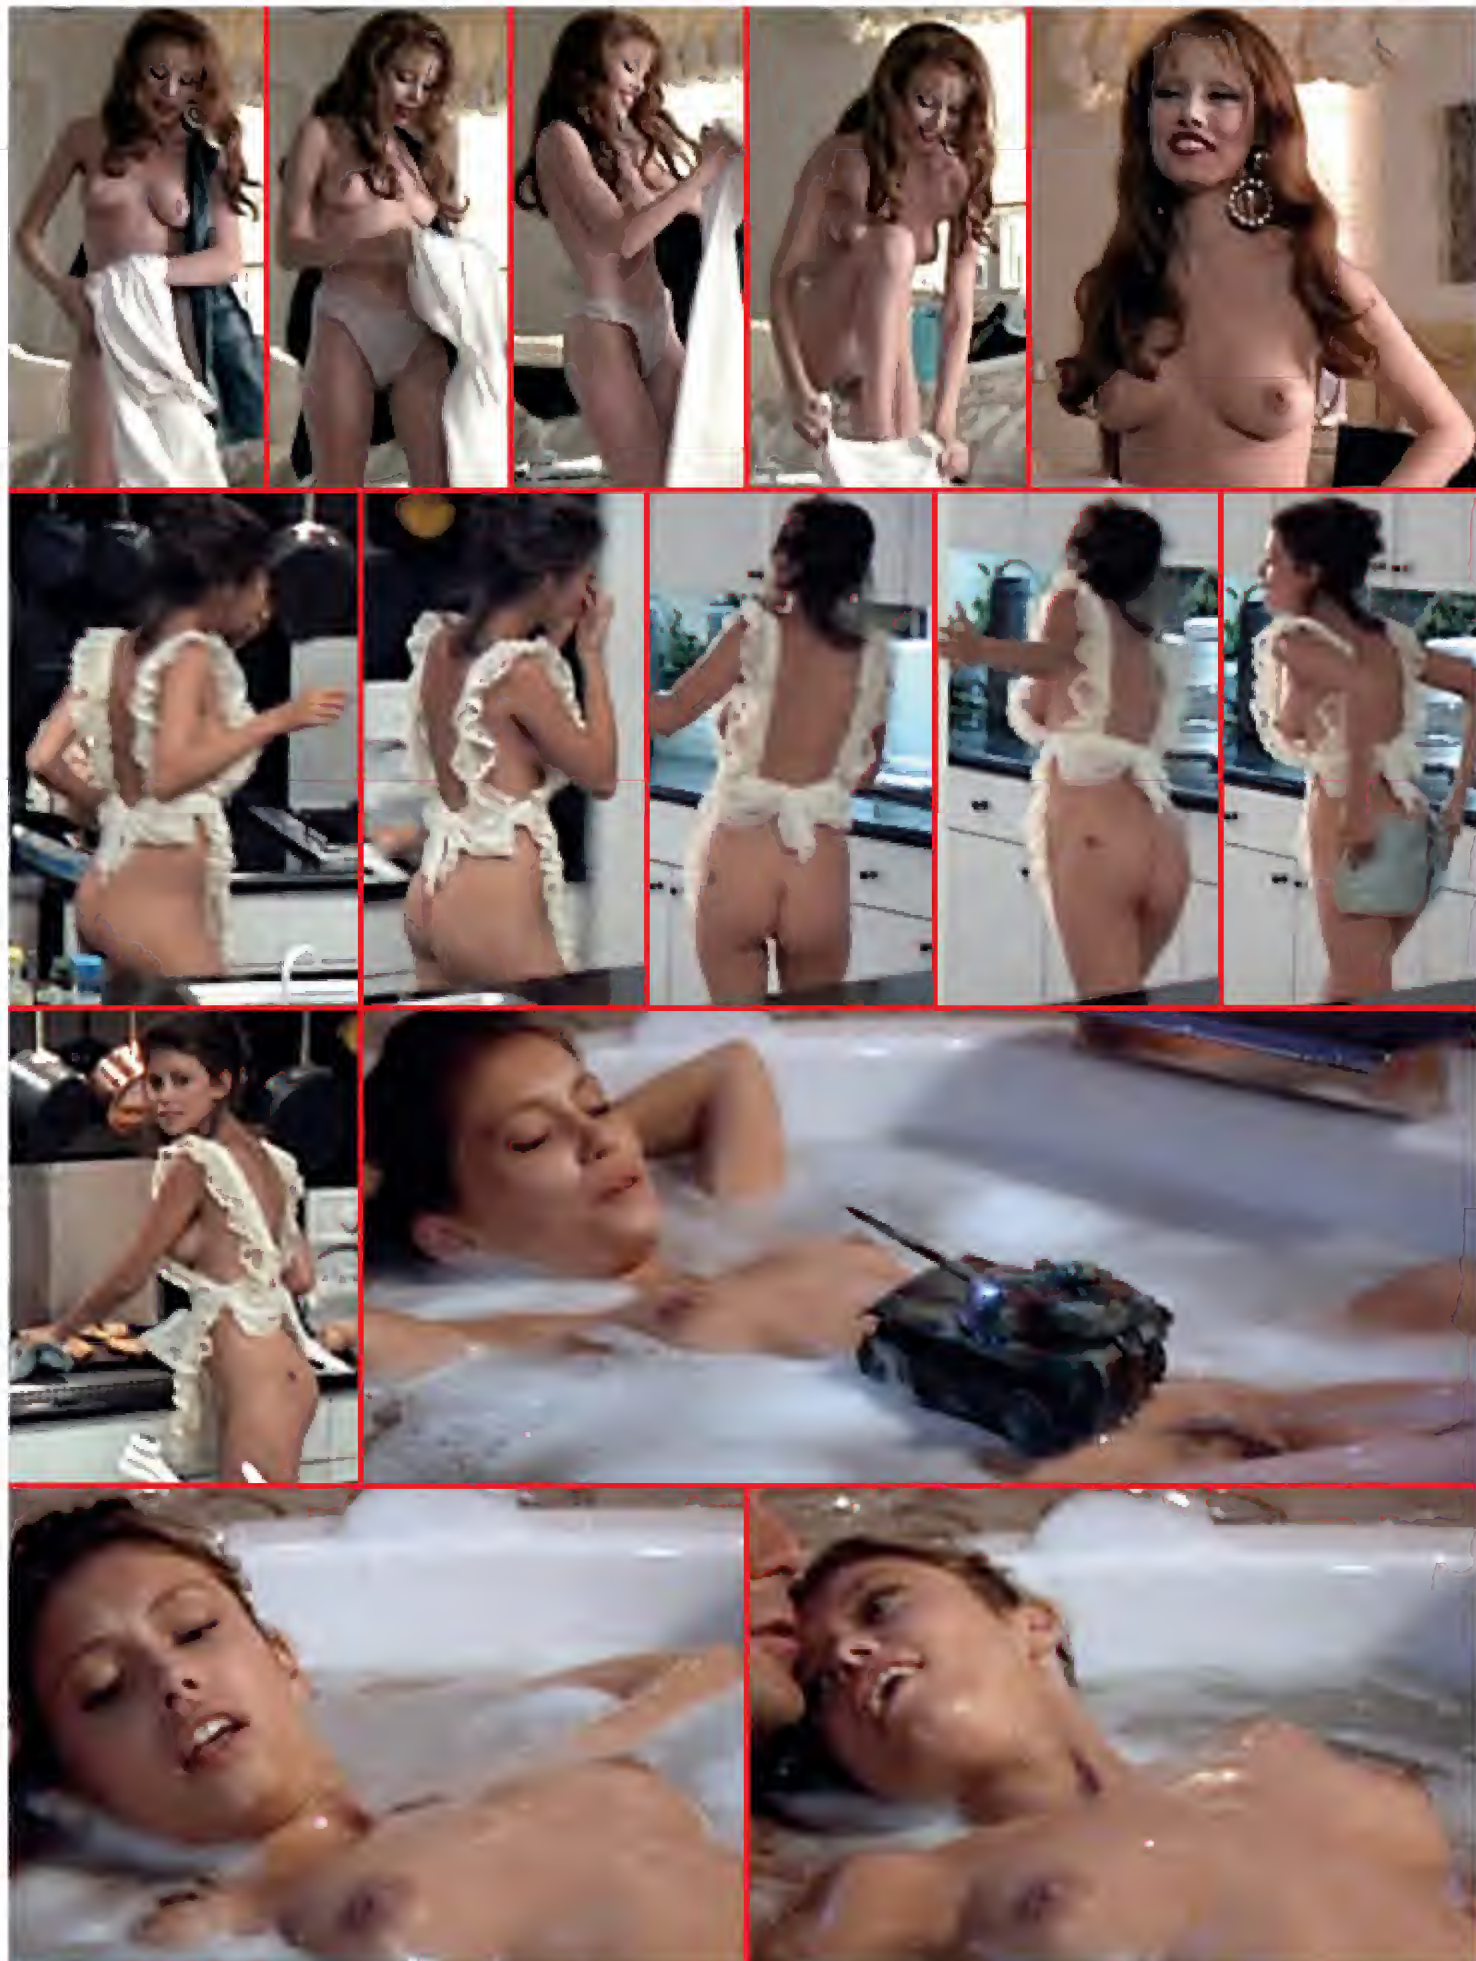

# JANE MARCH

**BORN:** March 20, 1973, London, England

**SEXY SIGHTINGS:** Jane, a juicy London lass from the past, masterfully *marched* her way to international fame by boning fellow costar Bruce Willis with such vigor in the *Color of Night* (1994, spread), it was the closest he's *cum* to dying hard! Don't expect their swimming pool pounding to cool off your summer, because when it comes to Miss March, the color of night is purely pink!

**THE HIDE OF MARCH:** *The only impending doom associated with Jane—and her not-so-plain frame—is that one look at her Julius-juicer jugs and Caesar-pleaser slit will make you ass-ass-inate your erect emperor with a swift shank-spank!*

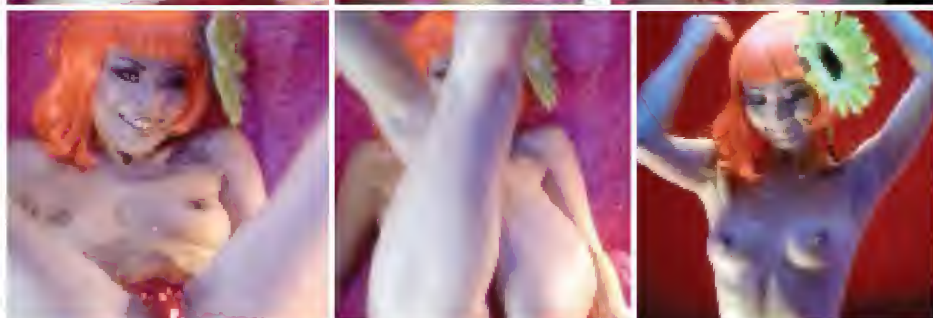

## BAI LING

**BORN:** October 10, 1970, Chengdu, China

**SEXY SIGHTINGS:** This babe's the peep-show girl in *Edmond* (2005, spread), a film that had William H. Macy spraying his Fargo when confronted with the sizzling heat of Ling's wasabi-hot heinie! Badass Bai is a paparazzi-player who busts out her best *ass-ets* (above) in revealing summer wear, which reminds men everywhere that—on film or in real life—a g-string is a girl's best friend!

## GIOVANNA ZACHARIAS

**BORN:** December 11, 1976, Mexico City

**SEXY SIGHTINGS:** Giovanna, do you really wanna cool off? Yeah she does; and she showed us how they do it south of the border as those Mexico City titties get wet in *Puerto Vallarta Squeeze* (2004, spread). This babe certainly squeezed us by our Mexican *humping* beans, by turning in a tireless and topless performance that had our third-leg lust-boat disembarking at Port Poon!

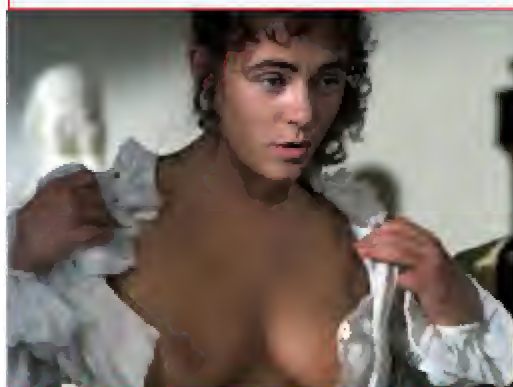

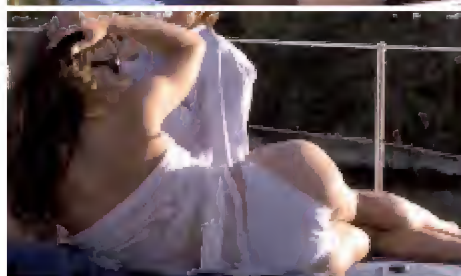

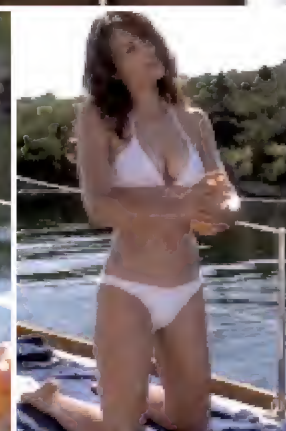

# LIZ HURLEY

**BORN:** June 10, 1965, England, UK

**SEXY SIGHTINGS:** Since our first fantastic peek at Liz's areolas in *Aria* (1987, opposite top), she's had quite a few performances so hot they would make even mother nature moist. She was *Rowing With the Wind* (1988, below and top) sans bra, and later enjoyed the summer sun by testing *The Weight of Water* (2000, this page bottom) with her beautifully buoyant british boobs!

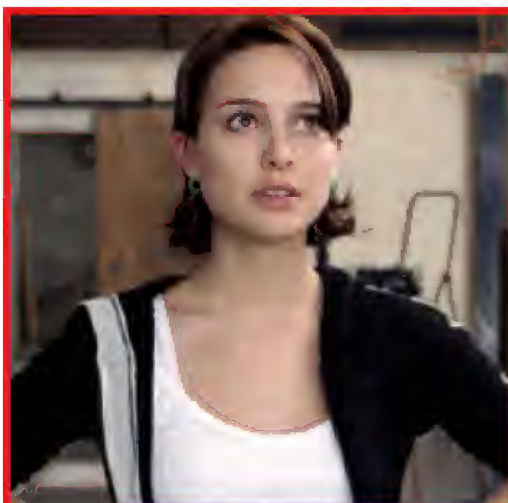

**E-LICK-ABETH HURLEY:** *Unlike some other men who shall remain nameless, we won't take for Grant-ed the heavenly Hugh of Hurley's hooters. We'd love to protect those sun-beam beacons by slathering on a little handmade cum-block!*

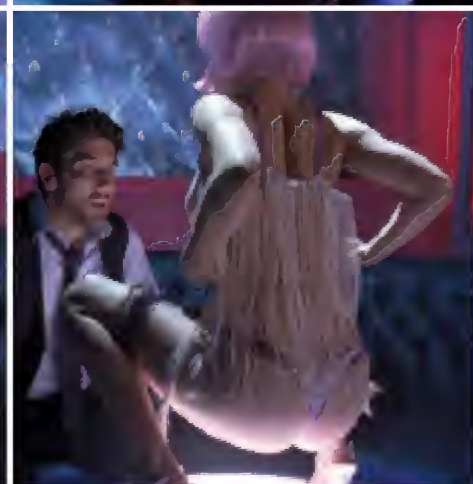

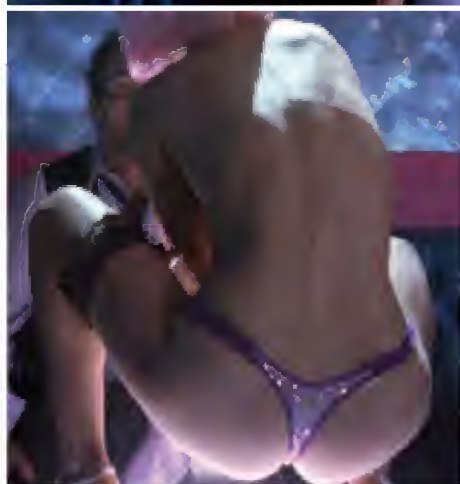

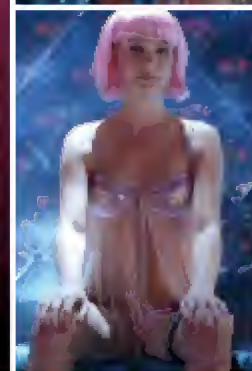

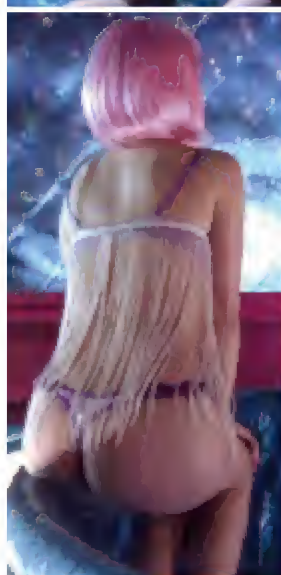

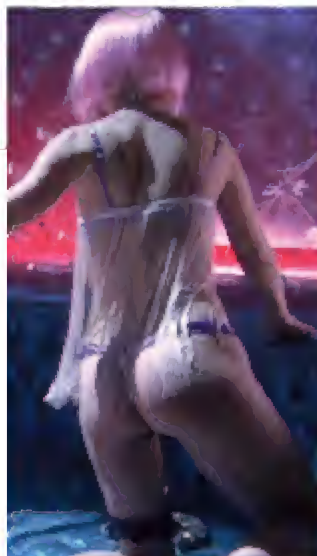

## NATALIE PORTMAN

**BORN:** June 9, 1981, Jerusalem, Israel

**SEXY SIGHTINGS:** Big name actors Jude Law and Clive Owen got *Closer* (2006, this page) to Natalie's nookie than most of us can hope for; but her all-too-tempting striptease lent just enough to the male imagination to engorge our phallic fantasies. Maybe the fact that this Jerusalem tulip has been playing so hard to get (unclothed) is what makes our manhood so itchy to fertilize her.

**V FOR VAGINA:** *Since Natalie is not known for showing off her A-cup Pork-men, let alone any other part of her body, these topless beach shots remain the best film she's shot since she became a professional Tinseltown teaser.*

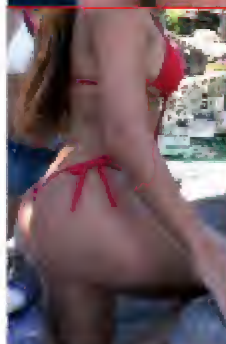

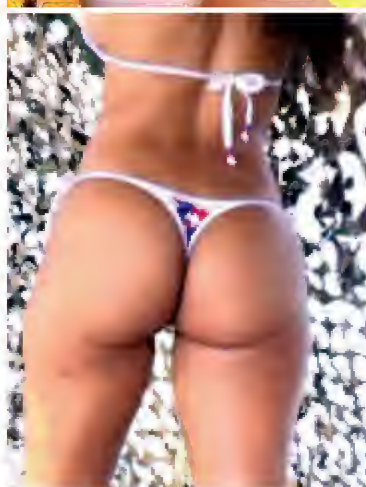

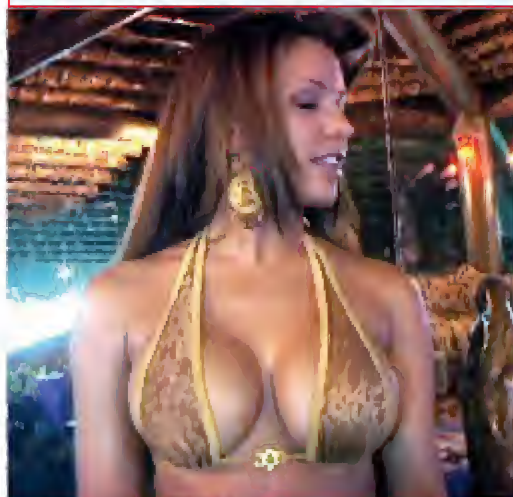

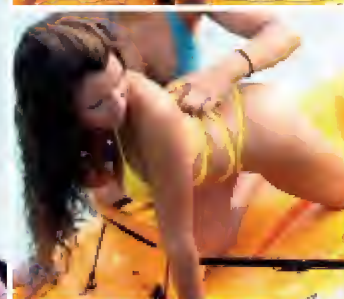

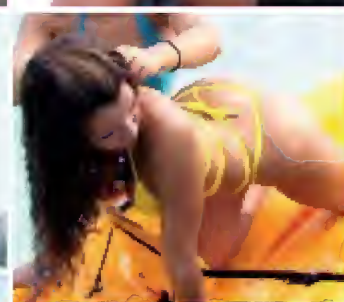

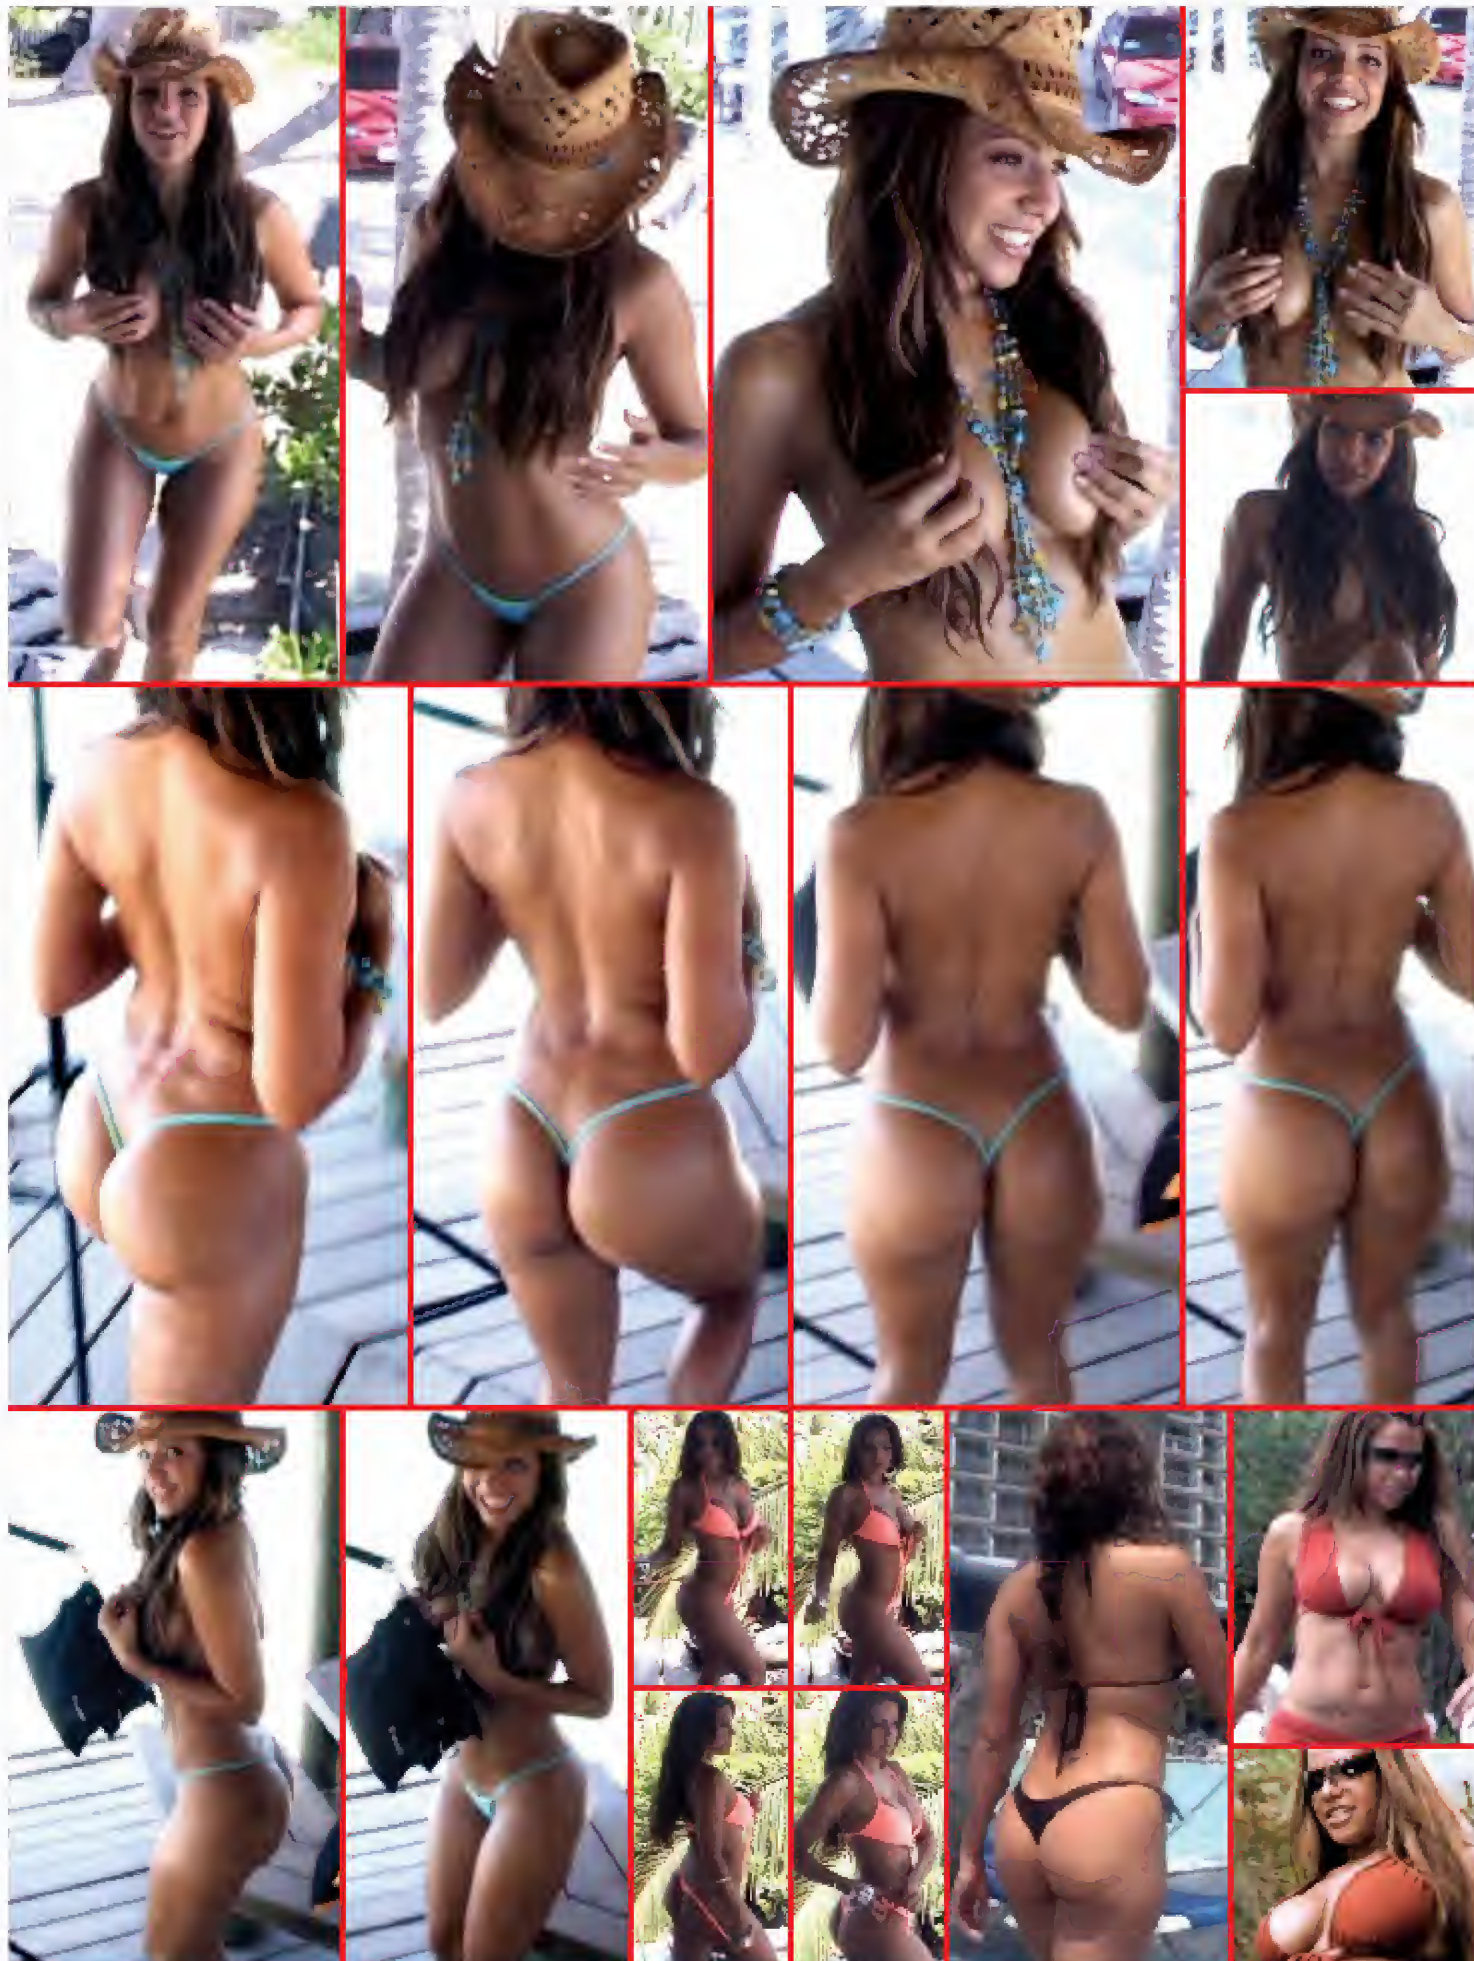

# VIDA GUERRA

**BORN:** March 19, 1974, Havana, Cuba

**SEXY SIGHTINGS:** Vida fever is only going to get hotter as the temperature outside keeps rising (as does our peter-meter), and the aptly named *Vida Guerra Exposed* (2006, spread) will leave you soaked to the bone! Follow the only thing bigger than Castro's ego, as Vida's booty treks to exotic locales. This Cuban cutie playfully poses—much to the delight of our trouser hoses!

**#1 WITH A BOOTY!:** Vida has decided to take her bikini-tested belting power into the recording studio for a singing career. If she sings half as good as she looks, she'll be headed up the R&B charts as fast as she climbed the T&A charts.

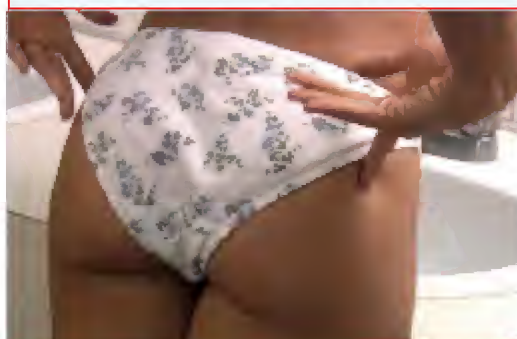

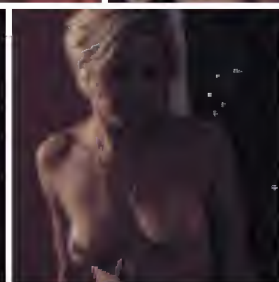

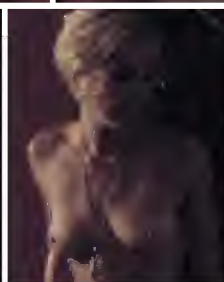

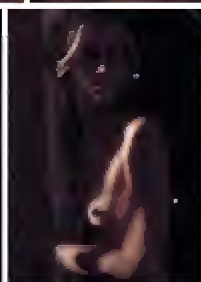

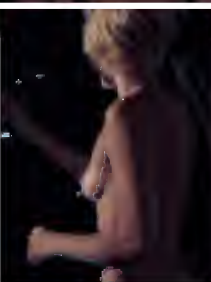

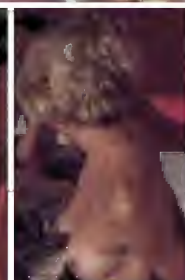

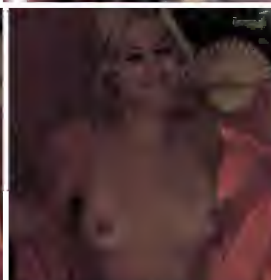

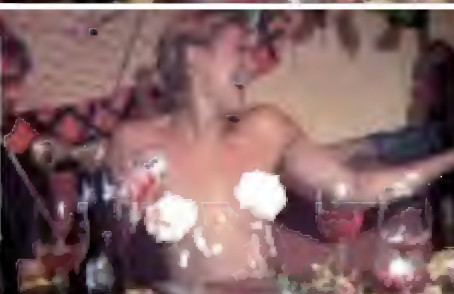

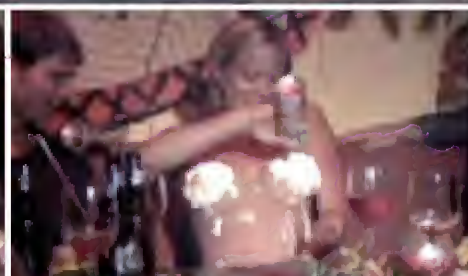

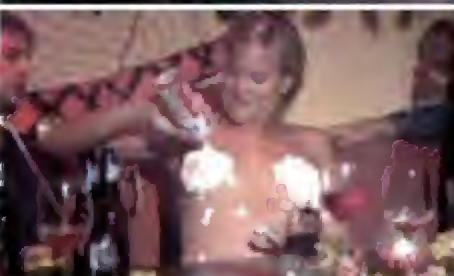

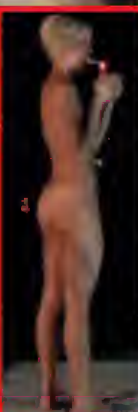

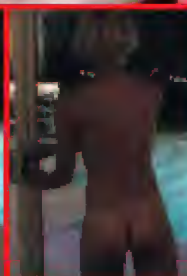

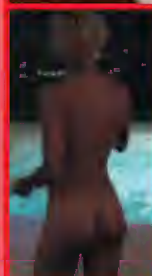

# BRITTANY DANIEL

**BORN:** March 17, 1976, Gainesville, FL

**SEXY SIGHTINGS:** You might think that it was *Totally Awesome* (2006, below) that the pretty-panty clad Brittany can be seen in *Joe Dirt* (2001, above), and her whip-cream-ed tits are great in *Loveless in Los Angeles* (2007, right), but it was her all-out ass display in *Rampage* (2006, this page bottom and opposite) that will set you off on a cream-inducing whacking rampage of your own!

**JACK-WORTHY DANIELS:** *Brittany will leave you stiffer than your drink, flashing her honey-glazed heinie—unafraid of the horny Hillside Strangler who prowls for poon. Luckily for you readers, we found this hottie's address before he did!*

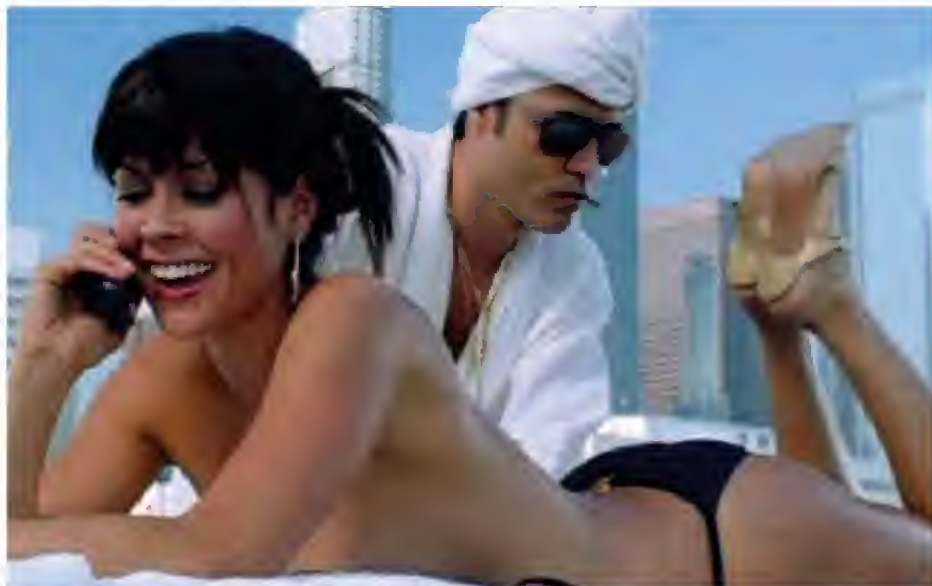

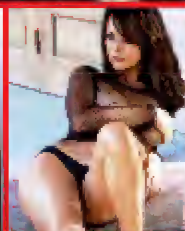

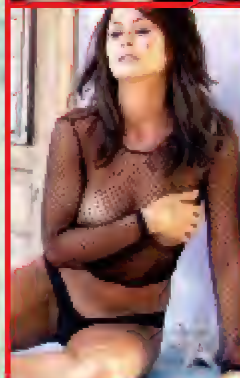

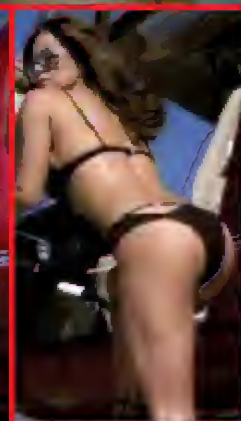

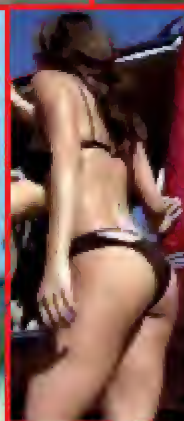

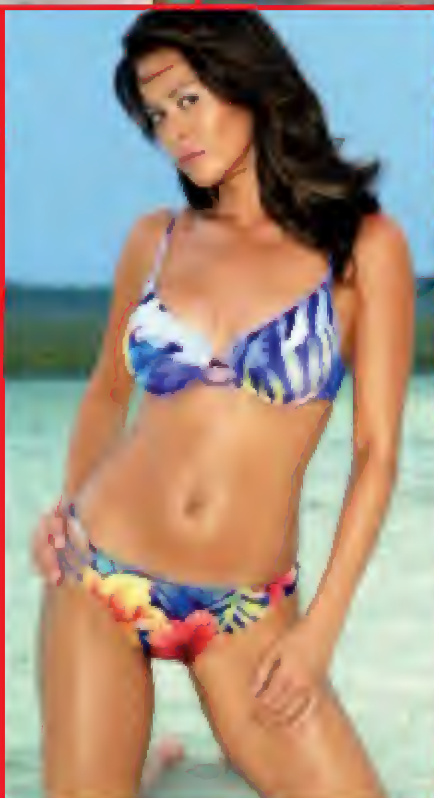

# **BROOKE BURKE**

**BORN:** September 8, 1971, Hartford, CT

**SEXY SIGHTINGS:** Brooke gets her perfect padding patted down in the *cum-e-dick* flick *Knuckle Sandwich* (2004, below and top right). It seems that knuckle sandwiches are tastiest when served on Ms. Burke's bronzed buns! In *Barely Brooke* (2002, bottom right and opposite page), your favorite swimsuit-jockey simultaneously tests the limits of her bikini straps and your DVD's pause button.

**IF IT AIN'T BROOKE, DON'T FUCK IT:** *When it comes to filling out a bathing suit or flashing flesh, Brooke has what it takes to force our fists to phallic friction! Though tanning Brooke is risking skin cancer, we're suffering from meat-stroke!*

## DANIELLA VESTERLUND

**BORN:** August 16, 1974, Sweden

**SEXY SIGHTINGS:** Sweden might not be the first place that conjures up thoughts of steamy summers, but one look at local girl Daniella in the new-to-DVD *Sänger* (2005, spread) and you'll be feeling the heat! Her sexy scene unveiled her very sweet sweater meat—and those Scandinavian skivvies had us pulling out our stinger with thoughts of sticking it right in her pee-hive!

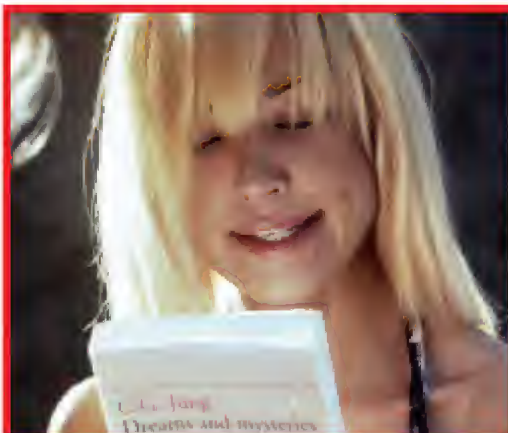

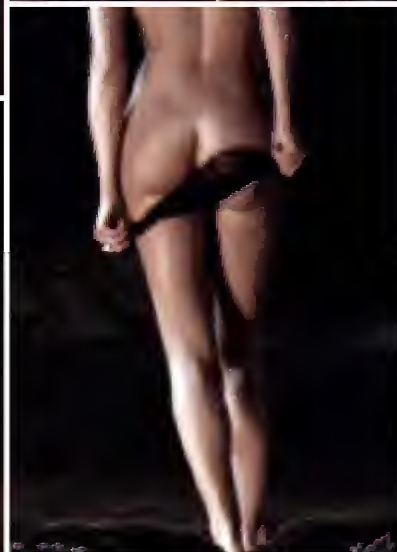

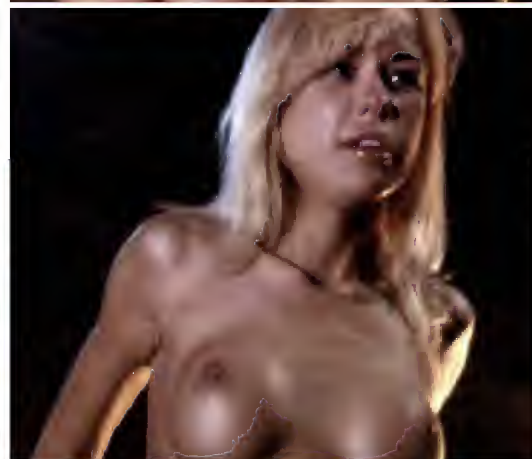

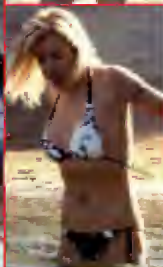

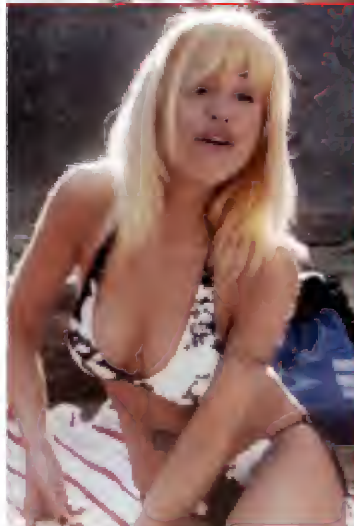

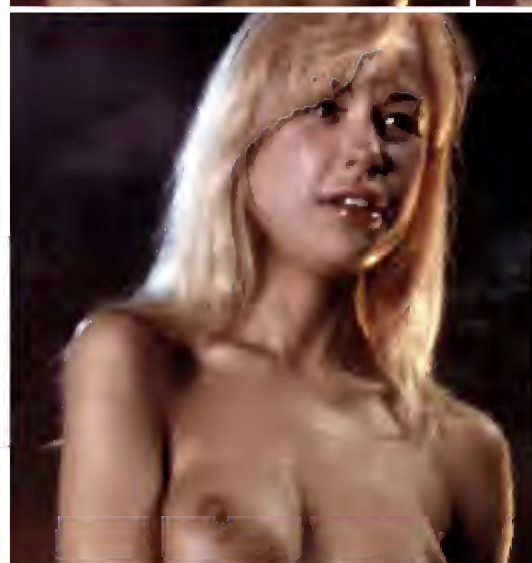

**SCORE-PION:** In *Stinger*, Daniella finds herself stuck on a ship full of deadly scorpions. It looks like the little critters may have already raised their tails to this A-grade tail twice—as Ms. Vesterlund's chest-of-fun sports unbelievably stiff nips!

## PILAR SOTO

**SEXY SIGHTINGS:** It's not what lies *Beneath Still Waters* (2005, spread) that has us dreaming about the moist mysteries that C.G. Hung may be putting into the young mind—and mound—of Ms. Soto; it's those perky *Pilar-pecs* that bring our pelvic *pillar* to attention! This little vixen was a fixture on Spanish television series such as *Paraíso* and *Mamma Mía*, but after seeing Pilar's totally nude turn in this *fear-in-the-sun* thriller, it's clear that Ms. Soto has big-screen mojo!

**PUD WRESTLER:** Not one to be afraid to take the heat—or the meat—Ms. Soto's non-stop nudity will have your twat-tenderizer working overtime! Pervy Pilar proves she has what it takes to turn on the living, dead and the undead!

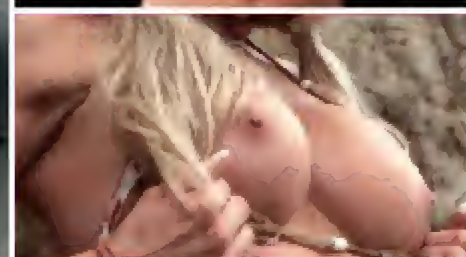

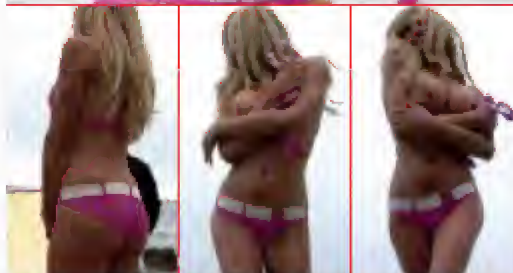

# NIKKI ZIERING

**BORN:** August 9, 1971, Norwalk, CA

**SEXY SIGHTINGS:** Nikki "nice knockers" Ziering's *National Lampoon's Spring Break* (2007, spread) goes down just as well during summer, as this well-built diva loves to sun those swollen sandbags all year round. While trolling the beach, Ms. Ziering's game-fish-sized gazongas were caught in her shirt's naughty netting! We're sure you agree that a haul like that deserves to be mounted!

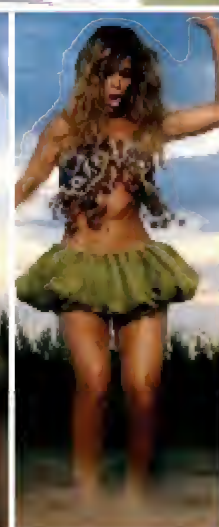

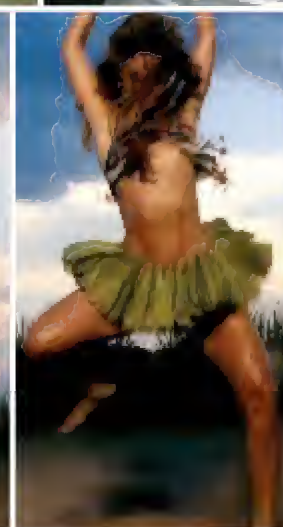

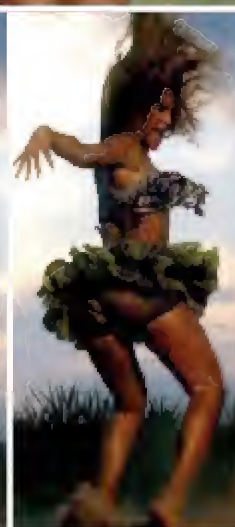

# SEXY SONGBIRDS

We proudly present the finest T&A in R&B, the chiseled bods of women who Rock, and the sweetest Pop Tarts on the charts! They bump, they grind and...oh, yeah, they sing! Behold our Sexy Songbirds!

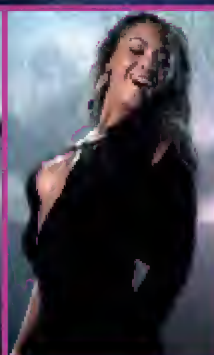

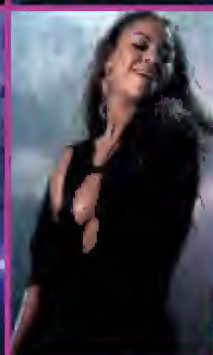

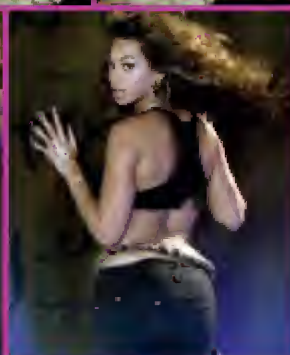

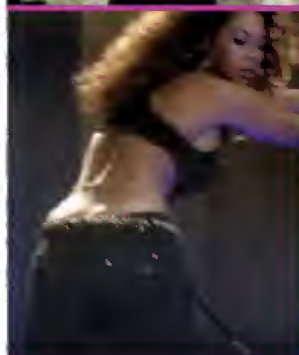

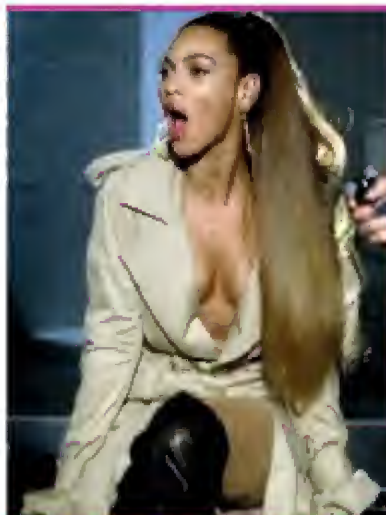

## BEYONCE KNOWLES

**SEXY SIGHTINGS:** Bootylicious Beyoncé has always been sexy as hell, but for a titillating tour-de-force, check out her *B-Day Video Album* (2005, this page and opposite top), which packs a pulchritudinous punch! Though she is mainly dancing for her boyfriend, Jay-Z, these days, Ms. Knowles didn't feel shy about her curvy choreography in the flick *Dreamgirls* (2007, opposite bottom), whose bonus features included a video that revealed a new nip slip!

**WET DREAM-GIRLS:** Beyoncé gave a glimpse of what she might look like if she had been born to a bit darker parents during the flick *Dreamgirls*, but we think her skin tone is just perfect—as is the tone of her runaway nipple above!

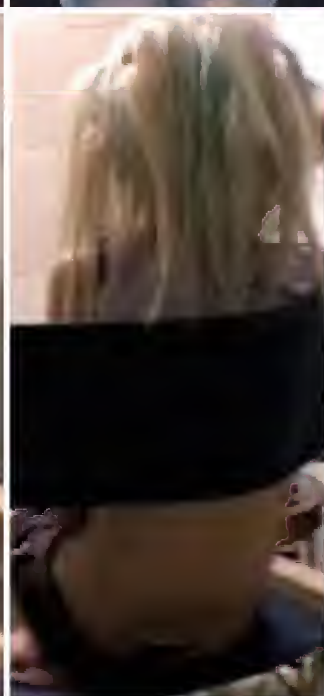

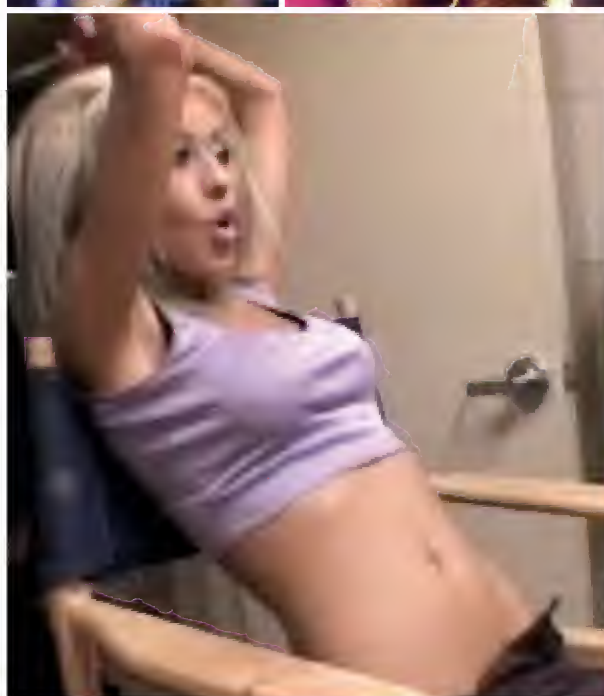

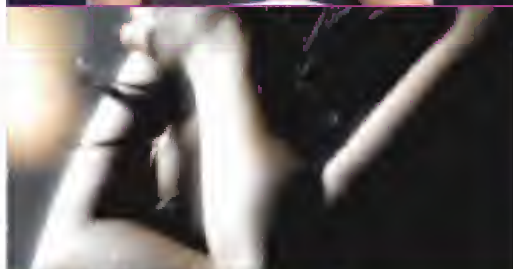

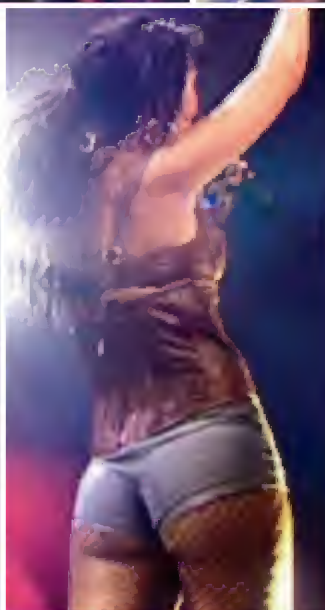

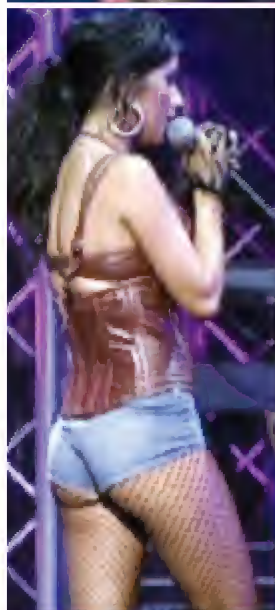

## CHRISTINA AGUILERA

**BORN:** December 18, 1980 Staten Island, NY

**SEXY SIGHTINGS:** Whether *Stripped Live in the U.K.* (2004, this column and right) or working out to keep what she calls *My Reflection* (2002, below right) tight or bearing her soul—along with her nips!—in *MTV's Diary* (2002, opposite top), Christina has the pipes that kill and is built to thrill! We can't decide if we prefer this *Dirty* girl as a blond or brunette, but we'll let her choose the drapes if Christina will let us pick her rug!

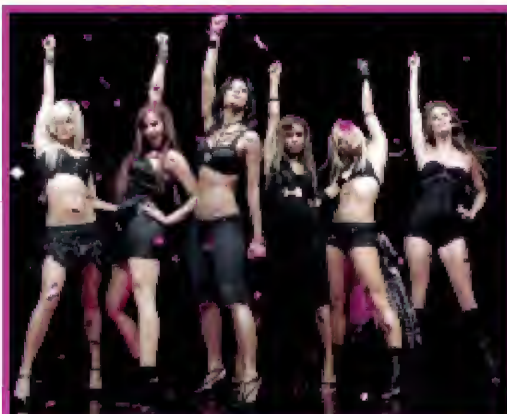

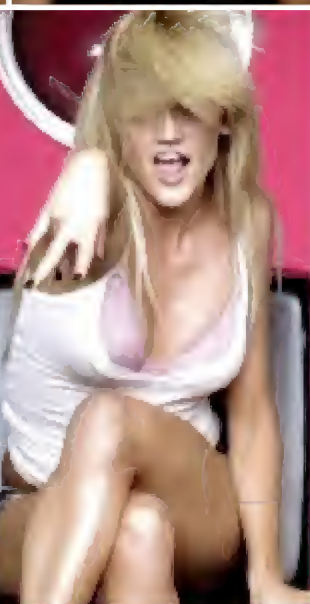

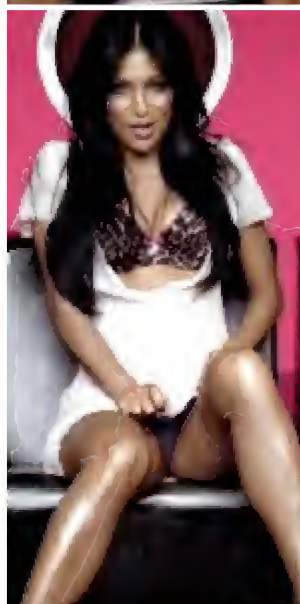

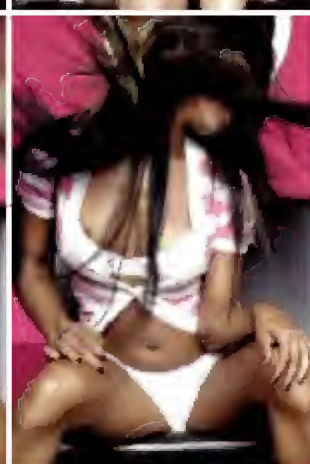

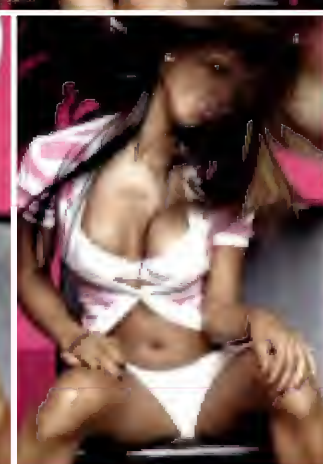

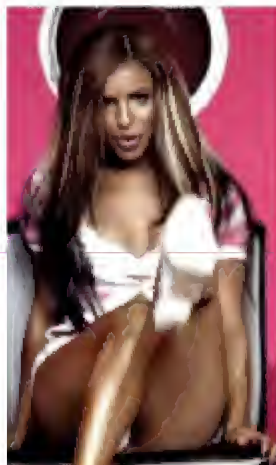

**MARMALADE SPREAD:** Christina dressed up—or rather down—for the Lady Marmalade video (above) from *Moulin Rouge!* (2001), which saw our favorite (garter) better pushing the limits of both her multi-octave range and her bustier!

## PUSSYCAT DOLLS

**SEXY SIGHTINGS:** As the hottest T&A trollops to ever put on garter belts and call Carmen Electra mommy—well, since Dennis Rodman, anyway—the Pussycat Dolls have been bumping and grinding their way into audiences' hearts and pants! For a crotch-level view, watch their videos on *Pussycat Dolls: Live From London* (2006, spread), where the pussycats turn on limey crowds to the point where those tea-timers can't wait to shove their bangers in the girls' mash!

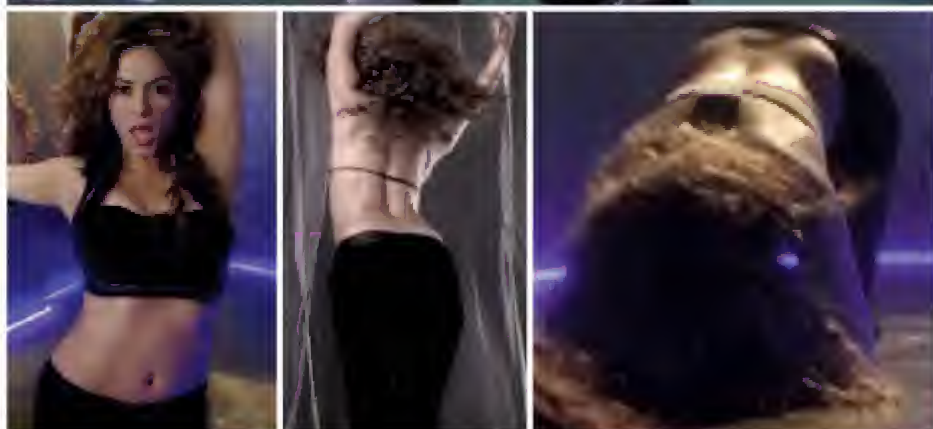

**9 LIVES & 12 BREASTS:** Featuring girls of various body-types, hair colors and races, the Pussycat Dolls feature something for every man no matter his taste. With Carmen Electra as choreographer, they're a turn-on fit for a Prince!

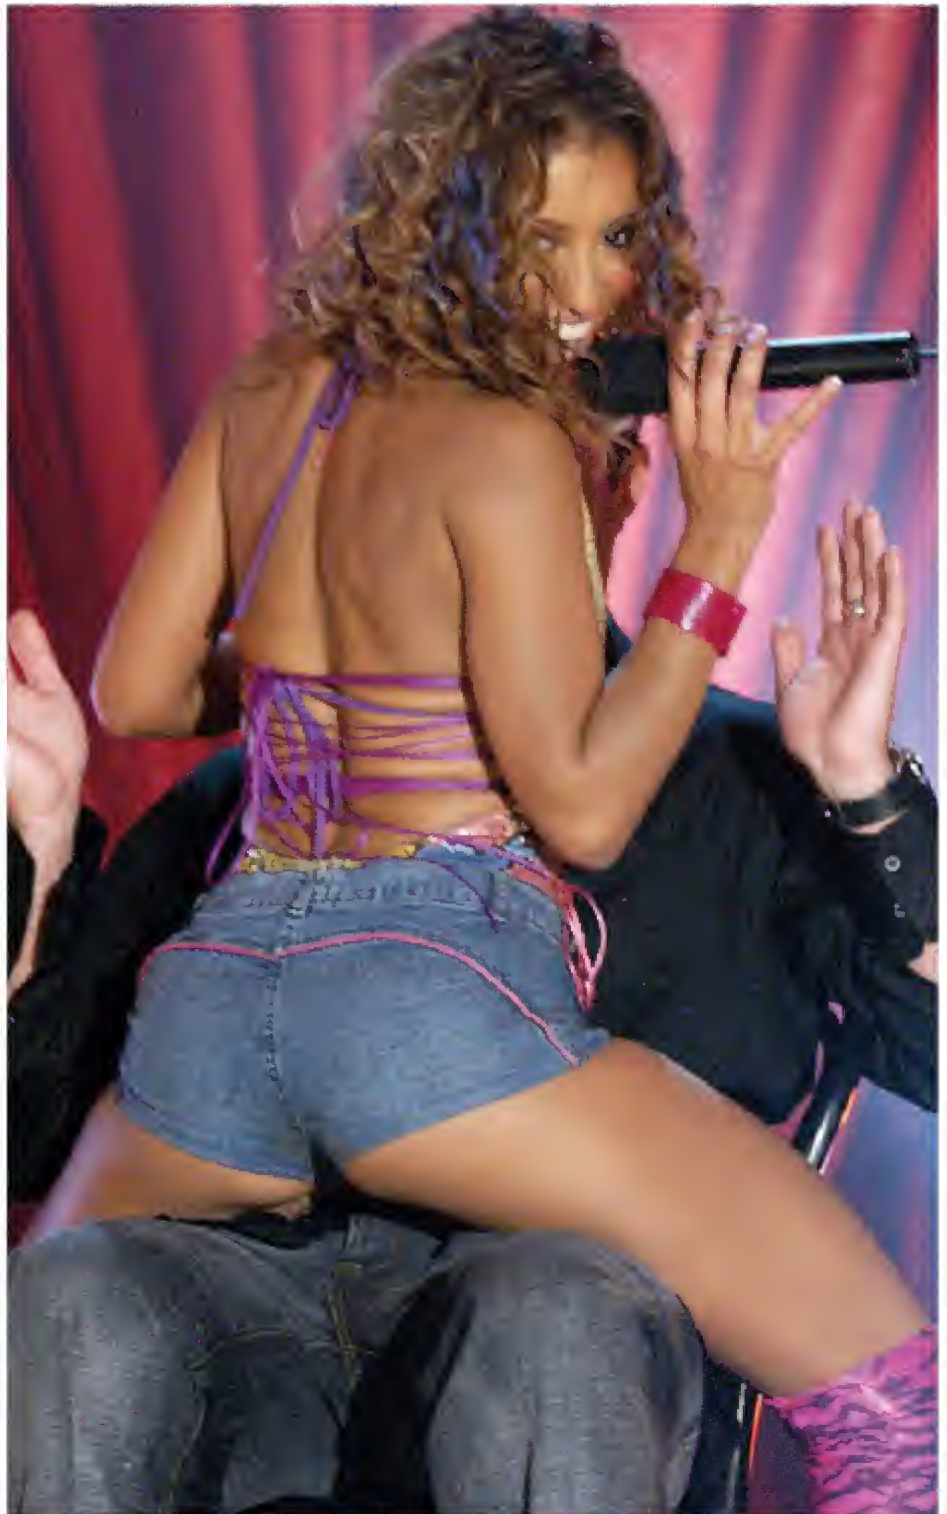

## SHAKIRA

**SEXY SIGHTINGS:** This sexy Colombian cutie has been shaking her kilo-sized casabas to the delight of men everywhere in videos such as *Beautiful Liar* (2006, below) for years now. This babe's sexy curves have a street value that can't even be quantified. And, listen, if you're a man who doesn't get turned on by this babe's bodacious bellydancing and bountiful backside, then maybe you shouldn't be buying her music—but rather investing in a lifetime supply of testosterone!

## MYA

**BORN:** October 10, 1978, Washington, D.C.

**SEXY SIGHTINGS:** You might remember Mya either from her own self-titled debut album or as partner to Lil' Kim and Christina Aguilera while singing a remake of the song "Lady Marmalade" in the video featured on the special features of the movie musical *Moulin Rouge!* (2001, this page) DVD. Whether in the video or performing live, Mya is certain to show off her back—er, *best* side!

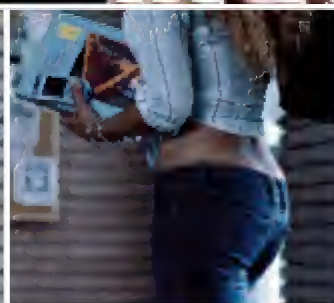

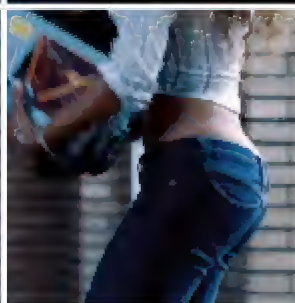

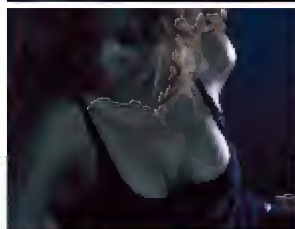

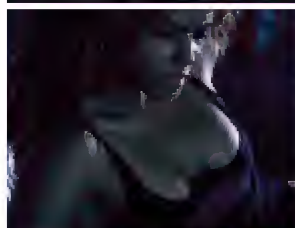

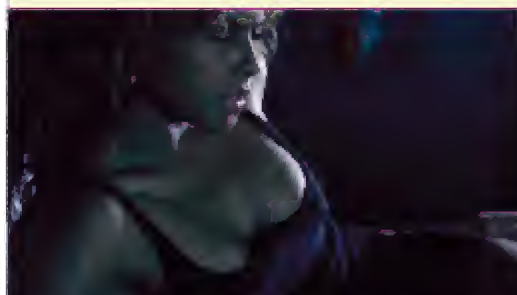

## CHRISTINA MILIAN

**BORN:** September 26, 1981, Jersey City, NJ

**SEXY SIGHTINGS:** The reason why your *Pulse* (2006, this page, bottom) may have been a little weak after seeing Christina's copious curves was because all the blood was rushing straight to your head—and we're not talking about the one on your shoulders! Christina can sing, but her pipes aren't what got her in this issue. Anyone can learn to sing, but you can't teach sex appeal!

**TART TOPPER:** This not-so-little girl can hit the high notes, but her real strength cums from the low thoughts she instills in men. Ms. Millian starred in *Be Cool* (2005), but that's an impossible request while she's in her booty shorts!

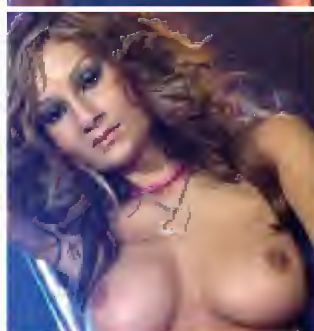

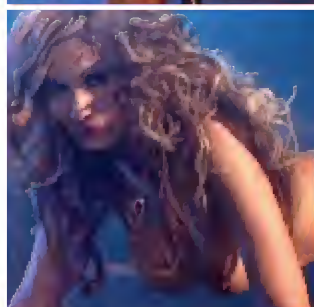

# TASTY PEACHES

Those wonderful fruit-stand showmen at *Peaches* have done it again! Get ready to sink your teeth into the luscious ladies of *Peaches: The Ultimate Collection 3*. This time there is three times the T&A!

## AMY REID

**SEXY SIGHTINGS:** Amy likes to pound the pole, and it shows! Ms. Reid helps us bare witness to the ripest batch of tasty T&A we've seen in quite a while, thanks to her appetizing appearance in *Peaches: The Ultimate Collection 3* (2007, spread). She spreads herself open like a dirty book you've been dying to *Reid*, getting down on all fours and prowling around the stage like a pussy cat in heat. But this little kitty doesn't need to get spayed; she needs to get *sprayed*!

**PEACH KNOB-GOBLER:** Grannie may have made one mean peach cobbler, but Amy takes the cake when it cums to heating up the ol' crotch-kitchen. She has just what it takes to get our dong-dough to rise to penetrating perfection!

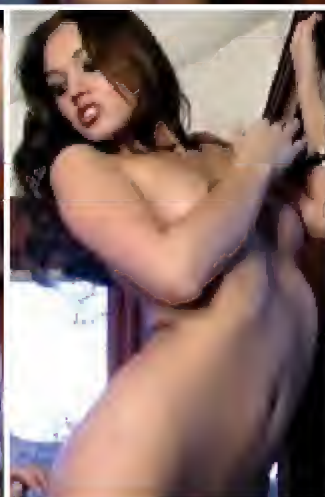

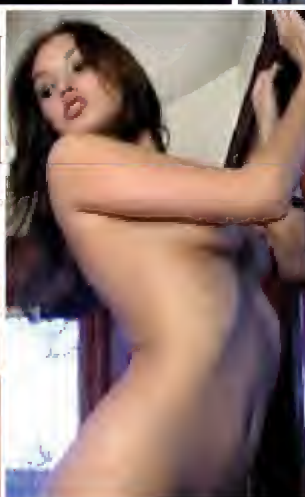

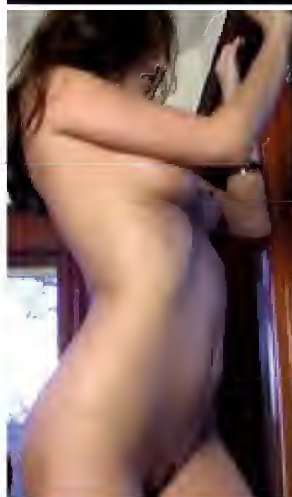

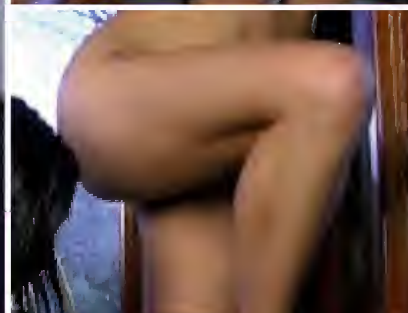

## VALENTINA VAUGHN

**BORN:** March 15, 1983, L.A., CA

**SEXY SIGHTINGS:** With the addition of Valentina's unimaginably munchable muff in *Peaches: The Ultimate Collection 3* (2006, spread), we agree that this is the ultimate tit 'n' slit DVD. Vaughn's vag has us slinging our shaft-syrup all over. These clinged—and clanging—peaches are two perfectly shaped cans! Next February 14, we sincerely hope Valentina gives us her heart-shaped box!

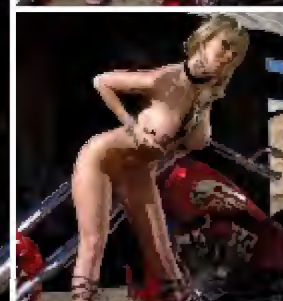

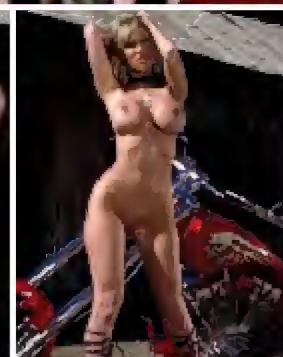

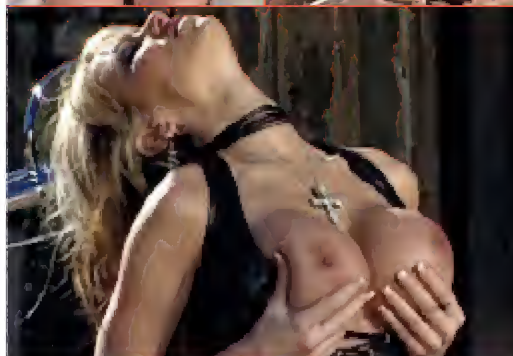

**RIPE FOR THE LICKING:** Valentina one of the hottest girls on Earth, and loves buzzin' some beaver fuzz. In Peaches she ravonously rubs asses with fellow lusty lasses and sends her tongue on a horny journey to another peach's g-spot pit!

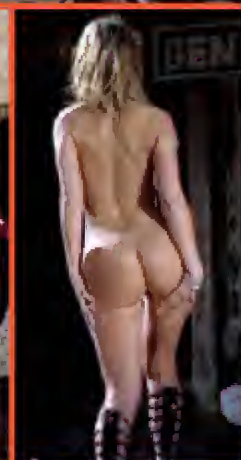

## SANDEE WESTGATE

**SEXY SIGHTINGS:** Maybe one of the most thrilling parts of *Peaches: The Ultimate Collection 3* (2006, spread) is when Westgate and her wet gash straddle that flaming red hog, revving up our RPMs—which here at *SKIN* stands for Rapid Penis Manhandling! The minute Sandee pulls off that leather top, we're pumping our piston at full speed! If only this hell-raising angel would slide on our red-rocket, we'd drive her all night long. Thanks to Sandee, our gear-head is blown!

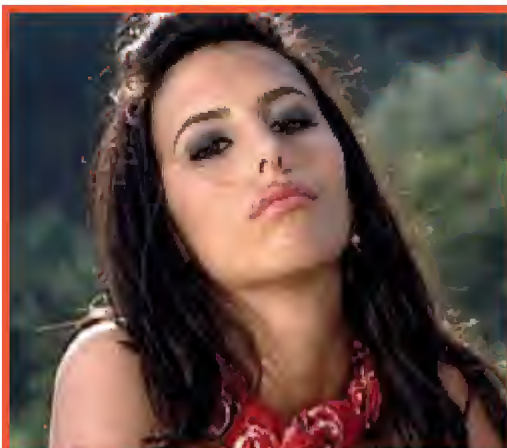

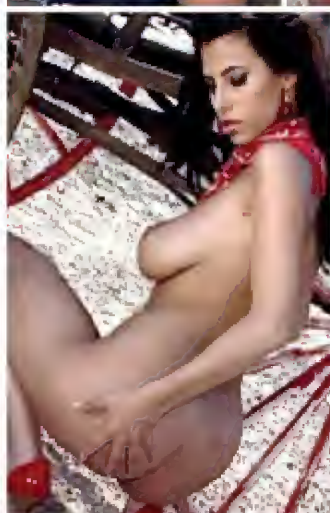

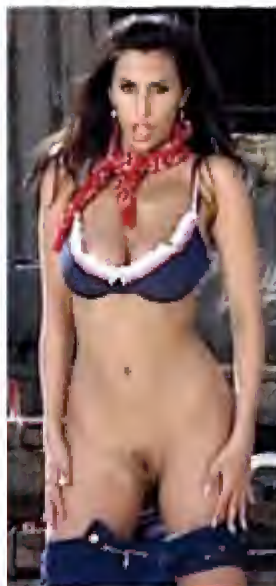

**EASY RIDE HER:** Thanks to her lace-up pumps, cut-off denims and a naughty need for speed, sexy Sandee is ready to hit the road cumming! With such a sweet set of twin-cam suck-sacks on her chassis, who are we to stop her?

## JAIME HAMMER

**SEXY SIGHTINGS:** This is one peach who can turn even a ghost town into a thriving—and *throbbing*—metropolis! When Jaime drops her shorts and reveals her peach fuzz in *Peaches: The Ultimate Collection 3* (2007, spread), it will become obvious that the only two things you really need to ensure a great orgasm is your *arm* & Hammer! If you're lucky, Jaime might lend you her neckerchief to soak up your sex-pistol sarsaparilla—once you're done slaughtering your lap-longhorn!

**STAGE COOCH:** During Jaime's naked appearance in this old-timey Western town, the cattle weren't the only horny ones. But since many gunslingers shot prematurely, it was only the rodeo clowns—and not Jaime—who got gored!

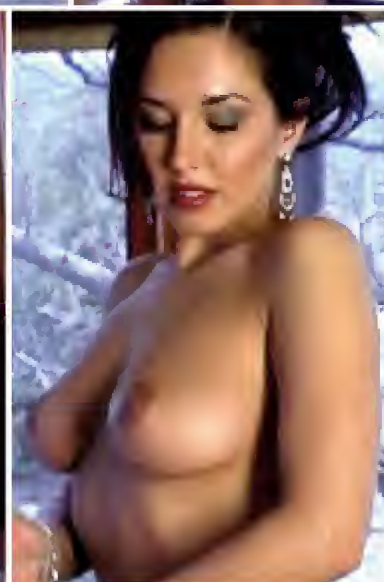

## ZOE BRITTON

**BORN:** January 24, 1979, Riverside, CA

**SEXY SIGHTINGS:** Britton is just the kind of bad girl discriminating dicks love to pick out of the flurry of foxy females in the phallic fruit basket that is *Peaches: The Ultimate Collection 3* (2006, spread). Her fans' dirty thoughts are so transparent that poor Zoe just had to take a bath to get clean. In lieu of a washcloth, Ms. Britton took a tongue-lashing from her lesbo-loofah of a girlfriend.

**GOD SHAVE THE QUEEN:** Zoe "Great" Britton is randy royalty for a nation of men who'd love to splish and splash their sudsy seed all over this naughty knockout. Now, if we could only get a private audience with her crown jewels...
